

Malden High School 2025-26 - Start Here, Finish Anywhere

MHS - School Council Minutes

2/5/2026

5:15 - 5:30 - Welcome - Approval of November minutes

- Member in attendance
 - Chris Mastrangelo. Sharon Lee, Haley Rizzo, Rick Tivnan, Staci Rubin, Melissa Rice. Lis Morrison
 - Announced to group that member Jenn Long no longer works for MPS and will not longer be on the council
 - Introduction of minutes
 - Second - Rick Tivnan
 - Approved unanimously

5:30 - 5:50 - Review of the 2026 IXL Data

- Shared IXL Data for Math and ELA - percentage of students at or above grade level
 - Shared percentage of students that received a grade of 80% or above in class assessments in ELA.
- Addressed question about Math curriculum that both Lisa Morrison and Melissa Rice brought forward about the scope and sequence of the curriculum in reference to Math 1, 2, and 3
- Morrison and Rice shared wonders and concerns about curriculum and data from lower grades before students enter MHS
- Morrison and Rice shared concerns and wonders about tiered interventions in lower level as well as MHS.
- Wonders (discussion with the entire council) if IXL has a comparison with other districts to help better understand what (if any) inherent road comes with the data.
- Rick Tivnan discussed tiered interventions within the History Department and how staff implements.

5:50 - 6:00 - Data to form SIP

- Chris Mastrangelo discussed how this data would help to form the 2026-2027 SIP

6:00 - 6:10 - Schedule next meeting

- Thursday, March 5, 2026
- Virtual meeting

6:10 - Adjourned
