PRINCETON
PRIMARY SCHOOL

An innovative leader in instruction,

developing in EVERY learner the ability to succeed in an ever-changing world. We strive to equip each student to be college and career-ready through personalized instruction, community partnerships, and collaboration.

Welcome to Princeton Primary School

In Kindergarten, we focus on building a classroom where every child feels safe, welcome, and ready to learn. We teach routines, use clear expectations, and practice daily habits like taking turns and using kind words. With a calm environment and consistent support, students learn how to be part of a caring community where they can grow, explore, and build confidence each day.

Every School Day Counts

Princeton Primary School takes pride in partnering with parents to promote positive attendance! Being in school each day helps kindergartners build strong friendships, routines, and early learning skills. Our classrooms are full of joyful moments: singing, stories, hands-on activities and missing a day means missing out! When your child is present and on time, they feel included, confident, and connected. Every day matters in Kindergarten, and we're excited to see your child's smile each morning!

Safe, Consistent, Positive, Fun

In Kindergarten classrooms, we establish clear behavioral expectations aligned with our school-wide PBIS (Positive Behavioral Interventions and Supports) framework. We create a calm, caring space where children learn what to expect each day—through consistent routines, clear rules, and lots of encouragement. Teachers greet students warmly, model positive behavior, and provide gentle reminders, helping every child feel safe, confident, and ready to learn. When students make great choices, they earn "Tiger Tickets" and which contribute to classroom and school-wide celebrations.

Watch Their Skills Take Off

In Kindergarten, we lay the foundation for strong readers and mathematicians! Students learn letter sounds, recognize sight words, and begin reading simple books. In math, they count, sort, explore patterns, and learn about shapes through hands-on games and activities. We make learning joyful and active—so your child builds confidence, curiosity, and a love of reading and numbers that will grow for years to come.

Let's Stay Connected!

- **Seesaw** – Get updates, photos, and messages directly from your child's classroom
- **Email & Newsletters** – Look for monthly updates and reminders from your child's teacher and the school
- **Website & Social Media** – Check isd477.org and follow us on Facebook for announcements and celebrations

The Kindergarten Experience

Specials = Big Fun and Big Learning!

Each week, your kindergartner gets to explore creativity, movement, music, and technology through our exciting specialist classes! In **Art**, they create colorful masterpieces and learn about shapes and textures. In **Music**, they sing, move, and try instruments. In **PE**, they play games and build strong bodies. And in **Science**, students explore earth sciences, physics, and concepts in biology.

Spanish Immersion = Language + Adventure!

In our Spanish Immersion Kindergarten, students learn reading, math, science, and more—almost all in Spanish! They sing songs, play games, and talk with their teacher in a fun, full-language environment. Kids don't just learn Spanish—they live it! By the end of the year, they'll understand and speak basic Spanish, all while learning the same core skills as in our English classrooms. Students with no Spanish language background may enter the immersion program in Kindergarten or first grade.

Special Events

Kindergarten is packed with fun events that bring our community together and make lasting memories! Here are a few to look forward to:

- **Kindergarten Connection** – A playful sneak peek for incoming families, held in March each year
- **Back-to-School Meetups** – Meet classmates and explore the classroom
- **Family ABC Night** – Learn about grade level skills and games to play with your child
- **Seasonal Celebrations** – Fall fun, winter cheer, and spring showcases
- **End-of-Year Events** – Celebrate growth and friendships with families

Families are always welcome—we love when you join the fun! Keep an eye on our school calendar so you don't miss anything!

Extracurriculars

Even kindergarteners have awesome options beyond the regular school day! Check out what's available:

- **Tiger Club** – Safe before- and after-school care with crafts, tech time, outdoor games, snacks, and guest visitors.
- **Community Ed & Recreation** – Classes in gymnastics, tennis, summer sports camps (like dodgeball, soccer, capture-the-flag), and more, tailored for K–5.
- **Community Sports Clubs** – Families can join community teams like youth soccer and hockey at Princeton's rec leagues—great for building teamwork and making friends!

Want to Help Out? We'd Love That! ♡

Our volunteers make a big difference! Whether you read with students, help with supplies, or lend a hand at events, your time supports our school community in a big way. We welcome family helpers in classrooms, the library, and more. Little efforts = big impact! Please contact your child's teacher or visit the school website to complete a background check and access sign-up forms.
