CONSTRUCTION UPDATE: Fremont High School

February 2026

Oakland Unified School District is continuing the Measure J modernization project at Fremont High School, located at 4610 Foothill Blvd.

Parking lot scope:

- Fence to be completed.

Top of campus and portables scope:

- Building foundations will be completed in preparation for delivery of modular buildings.
- Modulars to be delivered and craned into place for installation.
- Modular connections to be bolted and welded, and utility connections have been completed.
- Completing interior finishes of modular buildings.
- Install formwork, rebar, and pour wall extension at Building E Ramp.
- After building installation, a review schedule for the sequence of remaining scope will be conducted.

We appreciate your support and cooperation to help make these important improvements for Fremont High School.
