

Dear Parents/Guardians,

A school field trip is an opportunity for students to participate in a learning activity outside of the school. All school field trips are approved by school administrators.

IMPORTANT INFORMATION:

- **Participants:** School staff and the whole class/grade level attends.
- **Transportation:** Regular transportation for the normal school day is still provided. Transportation for the field trip is provided by the school during regular school hours.
- **Food:** Breakfast will be available and lunches will be provided upon request. Students may bring their own lunch as long as everything is disposable.
- **Medication:** Regular medications will be provided through the school nurse.
- **Chaperones:** Parents/guardians may be invited to participate as a chaperone but are not required to chaperone.
- **Money:** A cost could be required for the trip, which would cover all trip expenses. Students will not need any additional money for a day trip. Contact the teacher with any concerns or if there is a need for financial support.
 - Cost of Trip: \$_____
- **Signature:** Your signature is required to show that you allow your child to attend the trip.

Please feel free to reach out to the teacher with questions or any religious/ cultural concerns pertaining to the field trip. Looking forward to this academic opportunity for your student!
