

June 8-12, 2026

# Launch Institute

A place to engage with your peers and youth leaders in experiential learning to effectively **deepen relationships** with students, and to **align campus systems** that support **identity, belonging, and agency**.

Join us at "The Camp" in Carmel Valley. Surrounded by rolling hills and scenic landscapes, "The Camp" is a unique opportunity to learn in a serene environment that will bring you closer to nature, inspire new ways of connecting with youth, broaden your knowledge and tools, and create lasting memories.

## LEAP

Leap into making connections and exploring the impacts on our systems through the lens of our individual racial identity, self-awareness, self-management, and social awareness as we make connections to our own social emotional learning.

## LEARN

Learn a wide range of strategies, methods, and relationship skills that will increase positive student connections and improve the climate and culture of your school. Afternoon breakout sessions will offer opportunities to expand knowledge in SEL, Restorative Practices, and PBIS.

## LEAD

Lead your teams using your new learnings; participate in discussions and plan for practical campus application with other teachers, counselors, and administrators during dedicated team time.

## Team attendance is encouraged!

**Cost: \$800** (based on double occupancy. Individual accommodations, based on availability, can be extended for an additional charge of \$1100).

## Camp Accommodations:

- Newly renovated cabins and houses featuring queen or twin beds, private restrooms, and bench seating. Linens and towels are provided.
- Common spaces with a coffee/tea station.
- High-quality meals are included. Special meals are available upon request for vegetarian, vegan, and gluten free dietary needs.

## Registration:

<https://forms.gle/fELdJzznvYHRG5HB8>

*Registration includes food, lodging, materials, resources, and camp activities*
