Pompano Beach High School
2026-2027 Course Selection Guide

Step 1: Review Your Course Card

- Log into Canvas and review your grade-level course card
- Discuss course options with your parents and teachers

Step 2: Select Your Courses

2a: **First-Choice Courses (7 total)**

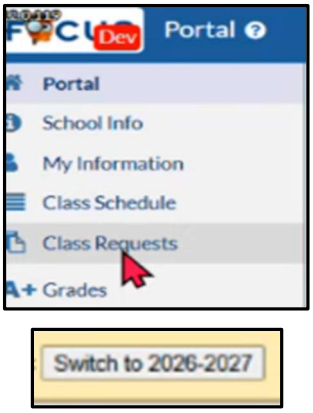

- Choose seven first-choice courses, including one from each of these categories: English, Math, Science, Social Studies, World Language, and Technology. If you've already completed World Language and/or Technology, choose any elective instead.

2b. Alternate Elective Courses (3 total)

- Select up to three alternate courses
- Rank alternates by priority (1,2,3)
- Alternates may be used if a first-choice course elective is unavailable

Step 3: Submitting Courses in Focus

1. Log into the Student Portal
2. Select Class Requests
3. Click Switch to 2026–2027 (screen borders will turn red)
4. **Enter** individual **course requests** by typing the **course number** in the filter field of the **Course** column dropdown
5. Select Enter, then Save

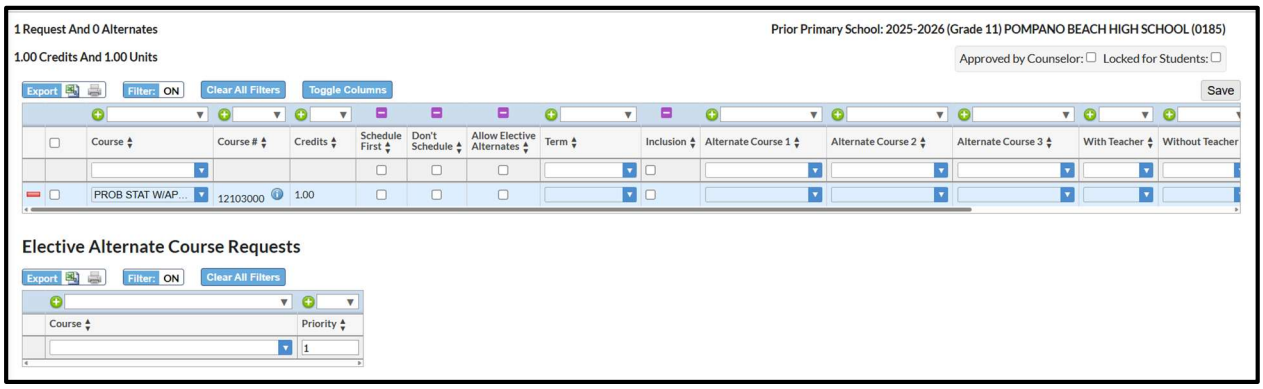

Focus Tips

- Courses entered by school staff will appear greyed out and cannot be edited
- Students may edit or delete their own requests
- Courses entered without meeting prerequisites or already completed will generate an error
- All selected courses will appear highlighted in yellow before submission
- Click Save in the top-right corner when finished

Course selection concerns will be addressed during individual, one-on-one meetings with School Counseling held through study hall. Students with an off-campus study hall must sign up in advance for their course selection meeting using the Bookings app.

Example of what the Course Requests screen in Focus will look like when you are entering your classes for the 2026–2027 school year:

Example of what a completed course selection request should look like in Focus before submitting:
