Dear Superintendent Melanie Curtin and President Richard DeCristofaro:

Congratulations! We are pleased to notify you that Weymouth Public Schools (Weymouth High School) and Quincy College have been awarded planning funding under the FY26 fund code 461 Early College Planning grant (Option A) in the amount of \$25,000.

We want to thank you for your commitment to the development of an Early College program. Through this funding and your continued involvement, we hope to expand college access to students in the Commonwealth.

In order to support your work towards achieving Early College Designation, the Office of Early College will be following up with you to share a series of support webinars and resources available to you. You will also receive further instructions from the Office on the next steps for applying for Designation status in the next cycle. In the meantime, please feel free to contact Danielle Wheeler, Director of Programs, MA Early College, at Danielle.Wheeler@mass.gov if you have any immediate questions.
