

Contract for Student Carry/Self-Administration Over-The-Counter (OTC) Medication

Students attending Lakewood High School may carry/self-administer OTC medications* in school if this contract is signed by the student AND parent/guardian and kept on file in the Health Center.

Self-administration allows a student to carry an OTC medication* on their person and administer the medication to themselves while in the school setting as authorized by the parent/guardian and Health Services. This contract is in effect for the current school year unless the student fails to meet the safety guidelines as listed below.

Student

- _____ I will use the OTC medication* in a responsible manner in accordance with my parent/guardians' directions
- _____ I understand that I must carry the OTC medication* in the original container
- _____ I understand that I am not to share the OTC medication* with another student
- _____ I understand if the above safety guidelines are not followed this contract will be voided for the remainder of the current school year

Please initial each item above and sign below.

Student Signature _____ Date _____
