Pompano Beach High School
2026-2027 Course Selection Card
Grade 11

You will submit your courses through the Focus Portal. Use this course card to help guide your selections.

Instructions: Choose seven first-choice courses. You **must** select one course from each of the following categories: English, Math, Science, Social Studies, World Language, and Technology. If you've already completed your World Language and/or Technology requirements, you may choose any elective.

For electives only: You are required to select three alternate courses. Alternates are backup options that may be assigned if your first-choice courses are unavailable.

COURSE SELECTION CARD STATEMENT:
I understand that Pompano Beach High School is a ***total magnet*** high school and ***all*** students are required to participate in a ***full*** magnet program which includes a minimum of 4 credits of English, math, science, and social studies and 3 credits in sequence of the same modern world language and the same technology program. I also understand that ***all*** students are required to participate in a ***full academic program*** during all ***four years*** including ***math and science***. This will ensure that all students at PBHS will have access to the requirements for the Scholar and Industry Diploma Designations. ***ATTENDANCE*** is mandatory for academic success and a pattern of non-attendance may result in a student ***NOT*** receiving credit for a course.

Please note: Students will not be permitted to drop AP courses after the College Board exam-ordering deadline in early November.

Submitting courses through Focus constitutes an agreement to participate in all courses required by Pompano Beach HS for the Magnet Diploma Designation.

At Pompano, We Keep It Golden!

LH = Local Honors:
The District has designated this course as “Local Honors” because it contains rigor that supports the awarding of an extra quality point towards the District’s weighted grade point average (GPA), which is used for class rank. These courses, however, may not be considered “honors” for State University Admissions, NCAA Eligibility, or for Bright Futures Scholarship purposes and may not be awarded the extra quality point in these programs’ recalculated GPAs. All local honors courses are designated with “LH” in the title.

Opportunities for Dual Enrollment are available through Broward College and the University of Florida. Student must meet with School Counselor. Broward College priority deadline is April 22, 2026.

Personal Financial Literacy is a graduation requirement. PBHS students are encouraged to take this course on FLVS. This course is also offered through Dual Enrollment at Broward College.

Bright Futures Scholarship:
The Florida Bright Future Scholarship program has awarded scholarships to thousands of Florida graduates. In order to qualify, students must make careful course selections each and every year of high school. When selecting courses for next year, consider the eligibility criteria for all three scholarships: the Florida Academic Scholars, the Florida Medallion Scholars, and the Florida Gold Seal Vocational Scholars. See your counselor, read the curriculum guide and access the Bright Futures website (**www.floridastudentfinancialaid.org/ssfad/bf**), for more information.

Please visit pompanobeachhigh.browardschools.com for more information on graduation requirements, including the Scholar and Industry Scholar Diploma Designations.

Focus course submission deadline: February 26, 2026
