Fairfield Prep Innovation Camp

For Boys & Girls Entering 6th, 7th and 8th Grades

Engage in Innovative Learning on the Prep campus

Fairfield Prep Innovation Camp is thrilled to invite boys and girls entering grades 6, 7, and 8 to embark on an exciting week-long journey at the McLeod Innovation Center this summer! Get ready for hands-on, immersive engineering design experiences where campers will form small teams to tackle thrilling challenges. Campers will design and race cars and boats in friendly competition. Dive into the world of digital fabrication and take on the challenge of creating robots and musical instruments.

The Innovation Camp is a week-long adventure. All campers will receive an Innovation Camp t-shirt.

Each camper is guaranteed a memorable experience! Limited spots are available. Don't miss out on a week filled with fun, learning, and innovation!

Campers need to bring every day:

Water bottle, morning snack, wear their camp t-shirt

Cost: \$325

Dates: June 22-26

Hours: Monday-Thursday, 9:30 a.m. -12:30 p.m.

Note: Financial Aid is available. If you have any questions or would like to inquire about financial aid please reach out to Innovation Camp Director,

Dr. Rinat Levy Cohen or 203.254.4200 X2685.
