Our Mission

Paving the Road Towards a Better Future

We seek to unlock the possibilities inside each individual. Because we see equal value in all lives, we are dedicated to improving the quality of life for others around the world. We have focused on three third world countries (India, Philippines, Haiti) and Habitat for Humanity and are "on the ground working" to find ways where we can do the most good.

In line with our mission statement, we wish to extend our outreach locally by encouraging students to participate in this calling to others…whether they be in their families, schools, churches, or communities. The Moll Family Foundation is offering a $3,500 one-year scholarship to a Mater Dei Cross Country senior runner.

The following criteria must be met for applicants:

- MD seniors with a varsity letter their senior season at Mater Dei
- The student must have a GPA of 3.0 or better as indicated on official school transcript
- The student must plan to attend an institute of higher learning (not necessarily a four-year college)
- Please submit resume as well as the following:
  A letter of interest should be included with the application which includes a section (200-300 words) which reflects Matthew 25:35-40.
  "For I was hungry and you gave me something to eat, I was thirsty and you gave me something to drink, I was a stranger and you invited me in, I needed clothes and you clothed me. Whatever you did for the least of these brothers and sisters of mine, you did for me."
  This letter should be addressed to the Moll Family Foundation Scholarship Committee and given to Mrs. Reneer.

The scholarship will be awarded at the annual Honors Day in the spring. Scholarship payments will come from the Moll Family Foundation. The recipient will be notified of when these funds will be dispersed.

Due by April 1, 2026
