*** meets CHS Tech graduation requirement**
**** meets both CUSD VAPA and Tech graduation requirements**

Non A-G courses listed in italics

***** for a list of course descriptions, graduation, and college eligibility requirements, refer to the Course Catalog on the CHS website*****

5 STEPS to Course Selection

STEP 1	**English teachers distribute Course Selection form to students.**
STEP 2	**Students meet with teachers to discuss course recommendations and collect individual signatures.**
STEP 3	**Students review teacher recommendations and course selections with parent(s) and/or guardian(s).**
STEP 4	**Counselors present in English classes to provide information on graduation & college eligibility requirements. Students input course requests.**
STEP 5	**Students submit their completed Course Selection form to the the Counseling Office or English teacher.**

Course Selection Tips:

- Reflect on your goals and interests
- Balance your workload to make sure you have time for extracurricular activities & personal interests
- Think about your mental health
- Make sure you are fulfilling your graduation and/or college entrance requirements
- Look for college and career readiness options
- Consult with teachers, counselors, and parents/guardians
- Keep your future plans in mind

I have reviewed the 5 steps of the course selection process and have carefully gone over the requested courses listed on this sheet.

Student Signature:_____ **Date:**_____

Parent Signature:_____ **Date:**_____

Deadline: Students have until March 6, 2026 to finalize course requests in AERIES for the 26-27 school year.
