February 11, 2026

Dear Families,

Enrollment into the Ouisconsin School of Collaboration for the 2025-2026 school year will begin Saturday, **February 15th**. This year, there are two ways to apply. You may apply electronically, via Infinite Campus, or you may turn in a paper form to the LES/OSC office. For your convenience, we have included a [link to the paper application](#) to apply with this email. Instructions to apply electronically are below. All applications must be submitted to the OSC/Lodi Elementary School office by **March 15, 2026**. If you are submitting a paper application, we prefer that you either mail or drop your application off in person, rather than send it to school with your child. All mailed applications must be received by March 15, 2026. When we receive your child's completed application, you will receive a confirmation email. If we should receive more applicants than we have spaces, we will also notify you of the date of the OSC lottery.

Please note if you have a child currently enrolled in OSC in third or fourth grade, and they have an interested sibling in 2nd, 3rd, or 4th grade, you must still complete an application for the sibling because **all new OSC students need an application**.

Would you like to learn what OSC is all about? Please visit our website <https://osc.lodi.k12.wi.us/> or check us out on Facebook (search The Ouisconsin School of Collaboration) to learn more about what we do. We also invite all 2nd grade families to our OSC Open House at Lodi Elementary/OSC on Tuesday, February 3 from 6-7pm.

We look forward to hearing from you!

Sincerely,

OSC Advisors and OSC Governing Board

To apply electronically: Log in to your Infinite Campus parent portal. On the left side, select the three lines, select the option "More". Select "School Choice" in the next menu screen. Select the program (Ouisconsin School of Collaboration) under the student who is applying. Under rank choice, select "1st choice". Click the submit button, and your application is complete!
