Minooka Staff,

Effective December 23, 2024, the **Paperwork Burden Reduction Act (Public Law 118-167)** provides that we are no longer required to automatically mail **Form 1095-C**. This means if you need a copy of your 1095-C, you will need to request it.

If you'd like to submit a request, feel free to email me and I will send you a copy of your document.

Sincerely,

Julia C. Adamic
