

The Patriot Press

Hello Patriot Families!

Welcome to the **Patriot Press**! We are excited to share important news and events surrounding our Heritage community. In this week's episode we have the following:

FEBRUARY 2026

Athletic Highlights

Varsity boys and girls wrestling continue their postseason run this weekend as both teams compete at their first-ever NCS Divisional Championships!

Our varsity girls wrestling team made history on Saturday, capturing back-to-back league titles and becoming the only league champions in the history of BVAL girls wrestling. Absolute dominance!

Meanwhile, our boys wrestling team finished second in the BVAL, capping off a strong and hard-fought regular season for both programs.

It's also Senior Night season across campus! Girls Basketball celebrates Senior Night tonight vs. Emerald, and Girls Soccer honors their seniors Thursday vs. Pittsburg.

Come out and show these athletes the love they deserve!

Spring sports are officially underway as well, creating an exciting crossover with winter athletics. We currently have 16 programs in season, keeping Patriot athletics buzzing with energy, competition, & pride. Patriot Nation stays winning on every mat, court, field, & track..

Upcoming Events

- February 12: Choir Valentine's Showcase 7pm
- February 16: No School
- February 26-28, March 5-7
Rising Stars performance of Anastasia
- February 27: Glow Dance 7pm
- March 16-27: Spring Break

Staff Shoutout

Teacher of the Year..

Eileen Favallora

Eileen Favallora has dedicated an incredible 38 years to education, including 21 years right here at Heritage High School. Her teaching philosophy is rooted in truly listening to students—fostering curiosity and creating a classroom built on respect, collaboration, and growth. Eileen believes effective teaching begins with hearing students through their questions, their thinking, and even their body language.

One of her greatest rewards as an educator is sharing her passion for mathematics and helping students discover their own confidence and enjoyment in the subject. Colleagues consistently describe Eileen as exemplifying the highest standards of excellence in education and as exceptionally deserving of this recognition.

To say we are proud and honored to have Ms. Favallora as part of our Heritage family is truly an understatement. We cannot think of a more deserving recipient of this award.

Don't Miss out on Rising Stars Spring Muscial
February 26-28 and March 5-7
