## Immunization Requirements for Students in Grades K, 1, 2, 3, 4, & 5

Dear Parent/Guardian:

New York State Law Section 2164 requires certain immunizations (shots) to enter and attend school. Please check with your health care provider as soon as possible to make sure that your child has all the immunizations needed. They are listed below.

**Documentation of the required immunizations must be received before September 15, 2026, to avoid exclusion from school effective September 16, 2026.**

### Required Immunizations for Students Entering Kindergarten & Grades 1, 2, 3, 4, & 5:

Immunization	Number of Doses
Polio	<b>4 doses</b> or 3 if the 3rd dose at 4 years of age or older
Hepatitis B	<b>3 doses</b>
Diphtheria/Tetanus/Pertussis	<b>5 doses or 4 doses</b> <b>if the 4th dose</b> is given at 4 years of age or older or 3 doses if series started at age 7 or older
Measles/Mumps/Rubella	<b>2 doses</b>
Varicella (Chickenpox)	<b>2 doses</b>

Please send proof of immunization, as stated below, to the school nurse where your child will be attending:

- An immunization certificate signed by your health care provider

If you have questions or concerns about immunizations, please contact the School Health Office at your child's school.
