According to https://post.ca.gov/peace-officer-basic-training The POST-certified Regular Basic Course (basic academy) is the training standard for police officers, deputy sheriffs, school district police officers, district attorney investigators, as well as a few other classifications of peace officers. The basic academy is both physically and mentally challenging. It includes a minimum of 664 hours of POST-developed training and testing in 42 separate areas of instruction called Learning Domains. Most POST-certified basic training academies exceed the 664 hour minimum by 200 or more hours with some academies presenting over 1000 hours of training and testing.

Security officers or security guards working more than 20 hours must complete the 20 hours of SB390 (formally SB 1626, EC 7583.45).*
