6th Grade Visits Biltmore

On December 18, 2025, the sixth graders had an educational experience during their field trip to The Biltmore Estates, in Asheville, North Carolina. They were amazed at the Vanderbilt's library which contained over ten thousand books, the thirty-five elaborate bedrooms, and the huge indoor swimming pool. They really enjoyed the trip.

Mr. Wrenn: Our DTL

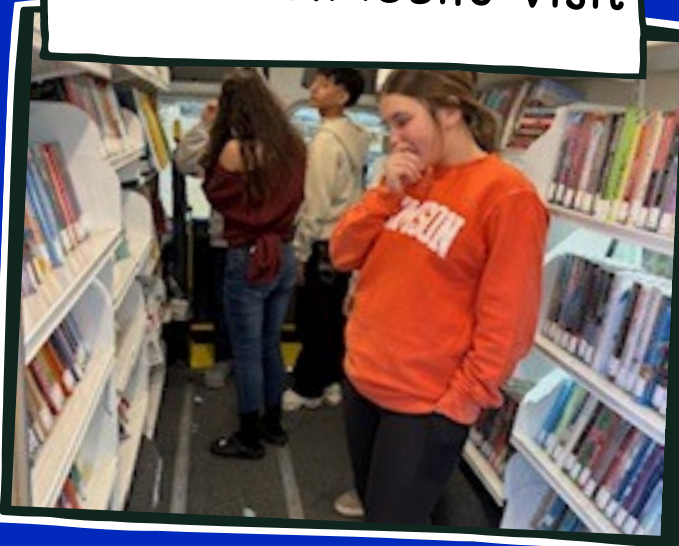

J-E-T is pleased to announce Mr. Wrenn as our 2025-26 Distinguished Teacher of Literacy. Mr. Wrenn teaches 7th grade ELA and has a background in administration in the Merriwether schools. His students say he is a really nice teacher, and he expands their minds.

ABBE Bookmobile Visit

7th and 8th grade students toured the local public library outreach van this month while the J-E-T library was undergoing renovations. Students were provided the opportunity to apply for a library card and checkout books from the mobile unit.

Looking Ahead

On January 23, 2026 the sixth graders had the opportunity to visit the Strom Thurmond Career and Technology Center. This allowed the students to see the variety of career options awaiting them once they reached high school. Many of the students walked away with ideas of what the future will hold for them.
