

EMPLOYEE BENEFITS

The New Gold Proactive Care Plan is Ready to Use!

The District is excited to welcome the new Gold Proactive Care Plan to our benefits lineup for the 2025–2026 plan year. Now that the plan is in effect, we want to make sure you have the information, tools, and resources you need to start using your medical benefits with confidence. A new plan can bring questions, and we're here to help you navigate it smoothly.

Network

This new plan is still considered an Anthem PPO plan. Members will still have access to the full **Anthem Blue Cross PPO network (Prudent Buyer PPO)**. You can still access the same care and services without having to change providers or medications. And just like with our other Anthem PPO plans, you still have the flexibility to go in or out of network, and you can still self-refer to specialists.

Accessing Your Benefits - Digital ID Cards

IMPORTANT! Please note that you will NOT be mailed a physical ID Card under this plan. Instead, individuals will use a digital ID card. To get your digital ID card, you will need to do the following:

- Create and register for an online account at: <https://myhealthhub.app>
- Your digital ID card will be available in your member portal when you log-in
- Present your digital ID card to your provider whenever you receive care. You may also email a copy of your digital ID card to your provider through the member portal

Viewing and Managing Your Benefits

Creating an online account or downloading the mobile app are two easy and convenient ways to start viewing and accessing your benefits. When you do this, you can manage your benefits, access plan documents, track claims, view ID cards, find wellness resources, and more!

Go to <https://myhealthhub.app> or follow the instructions below:

Registering is easy!

1. Download the My Health Hub mobile app by scanning the QR code.
2. Click **Create an Account Here**.
3. Fill in the required information to create your account.
