

Good morning, Condors! Here are your Daily Announcements with Melanie and Adriana.

Please stand for the Pledge of Allegiance.

Ready, begin: I pledge allegiance to the flag of the United States of America and to the republic for which it stands: one nation, under God, indivisible, with liberty and justice for all.

Please be seated.

- February is Black History Month. Every day this month we will share information and facts on the Daily Announcements. Did you know that Shirley Chisholm was the first African American woman elected to the House of Representatives. She was elected in 1968 and represented the state of New York. She broke ground again four years later in 1972 when she was the first major party African American candidate and the first female candidate for president of the United States.
- This week is Diversity and Respect Week and we will have dress up days and activities bringing awareness to different causes as well as celebrating different cultures. Today we acknowledge that we are Better Together as we twin with someone here on campus. Join us in the forum at lunch where we will have a couple of clubs with tables selling food for you to purchase. Tomorrow we

celebrate Respect in Action so wear blue as blue is widely considered a color of respect, particularly when associated with authority, loyalty, and dependability. It symbolizes trust, wisdom, and honor. Furthermore, blue represents stability, structure, and adherence to rules, enhancing its association with respect. ASB will be passing out pins for you to wear and keep. If you are participating please make sure to ask your teachers to scan the QR code for 5 Star Student points.

- Hey students, we will be holding a Pizza and Paint night on Friday, March 13th at 5:30PM. We encourage you to bring your parents or guardians. Don't miss out.
