GILBERT AT THE CROSSROADS

Warm greetings from your alma mater. The New Year has found The Gilbert School abuzz with activities and plans for the future. After six months I no longer feel like the "new" superintendent. I believe that I have begun to understand Gilbert—both its incredible strengths as well as its needs. Gilbert truly has a multitude of strengths within its program. These include a warm, safe and orderly environment, collegiality among staff, accessibility of the teachers to the students, emphasis on small classroom size, and relationships with students. The Gilbert School continues to maintain its strong academic standing and its unique place in the communities of Winchester and Hartland. I have certainly come to understand the incredible advantages that this institution has over traditional public high schools. Gilbert alumni have every reason to be proud of their educational heritage—the history of excellence that continues to be the hallmark of your school.

In many ways, The Gilbert School of today is at a "crossroads." We will face many challenges over the next few

years—challenges that could result in a very different Gilbert than the one you have come to know, first as a student and now as an alumnus. Two of these challenges in particular appear as most significant. The first is a shift in the nature of the student population that attends Gilbert, both in terms of numbers and also in terms of needs; and the second is the upcoming negotiations with the towns of Hartland and Winchester for The Gilbert School to continue to serve as the public high school for both towns.

With regard to the shift in student population, Hartland no longer sends all of its students to Gilbert. In fact, we anticipate receiving only about 25% of the eighth graders who will be graduating from Hartland Elementary School in the spring. Hartland as a town is changing. People are moving in from the suburbs of Hartford and they bring with them an affiliation with towns to Hartland's east. Granby, Simsbury, Canton and Suffield have begun to receive students as a result of Hartland's voucher program. While residents of Hartland with long ties to The Gilbert School continue

Superintendent of The Gilbert School

to send their children here, that group is becoming a smaller and smaller percentage of the Hartland population. The result is a decreasing enrollment for The Gilbert School and the gradual erosion of a very close and important connection with Hartland. The 10-year contract with Hartland expires in 2007. Clearly it is a goal of The W.L. Gilbert School Corporation to maintain our long-standing relationship.

The contract with Winchester is also scheduled to expire in 2007. It is no secret to anyone who lives locally and follows Winchester politics that there is a

movement among some in town to have The Gilbert School become *completely* public (as opposed to quasi-private, as it is now, and enjoying support from the endowment of The W.L. Gilbert Trust)—in other words, the school buildings and property would be purchased from The W.L. Gilbert Trust and the school would become governed by the Winchester Board of Education. If that movement were successful, it would radically and forevermore change the nature of The Gilbert School. If this school were to become governed by the Winchester Board of Education, it would never be the same again. It would lose one of its greatest strengths: independence.

The academic and social needs of our students are also changing, stretching our current resources. While many of our students aspire to attend highly competitive colleges and universities, many come to us with a variety of special needs and in some cases have no realistic aspirations to attend college. Many students require remediation in language arts and mathematics. Many need an emphasis on developing good study skills. Some come to us with low self-esteem and no real desire to attend school at all. An increasing percentage of our student body comes to us with English-language needs that we must meet. It is imperative that we find ways to reduce our ninth grade retention rate and also lower an unacceptably high dropout rate. Meeting the needs of our incoming students will require a reallocation of resources along with new, specialized programs. It will require a commitment that we, as a community, embrace both our traditionally high expectations as well as a philosophy of "success for all."

These are mighty challenges indeed. I am confident, however, that Gilbert will adapt, grow and be strengthened by successfully meeting these challenges. The Gilbert School is built on a solid foundation of tradition and a long-standing commitment to excellence. The W.L. Gilbert School Corporation, The W.L. Gilbert Trust Corporation, the faculty and I appreciate your support and confidence as we forge onward to continue that tradition of excellence throughout the 21st century. Together, we can—and will—continue to make a difference for our young people. ❖

—Respectfully,
Dr. David A. Cressy

SCHOOL HAPPENINGS

Young Alumni & Career Day

Alumni from the Classes of 1995–2004 were invited to The Gilbert School for a special breakfast and to talk with our current seniors about college, work experiences and life in general beyond Gilbert. Fifteen alumni took time out of their busy schedules on the day before Thanksgiving to visit Winsted and share stories and advice. This program is in its third year and is hosted by the Alumni Office, the Guidance Office, and the Business Department. Graduates from the past ten years are invited to attend. ❖

Gilbert Students Spread Some Holiday Cheer

Each year during the holiday season, students of The Gilbert School, through various activities and clubs, provide special holiday memories for members of our community—and this year was no different.

Under faculty leadership, a number of groups pulled together to help area organizations with their holiday programs. Students in the Life Skills classes helped out the Winchester Youth Service Bureau's Christmas Angel program by wrapping presents and delivering a Christmas tree to a family in need—complete with ornaments and hand-made decorations. Members of the Student Council dressed 12 dolls for the Salvation Army's "Dress-A-Doll" campaign and bought presents for the Christmas Angel program. In addition, the leadership class and the Gilbert chapter of DECA Club (Distributive Education Clubs of America) adopted families for Christmas, buying toys and clothes for the children and gift cards for the parents. Approximately 14 Gilbert members of the National Honor Society were on hand at Stop-n-Shop in Winsted volunteering for the Salvation Army as bell-ringers.

The school band and choir provided a special treat for the town's schoolchildren on December 22nd and 23rd before the holiday break. On Wednesday the 22nd, the band and choir boarded a bus and brought a holiday concert to Hartland Elementary School, Pearson Middle School and St. Anthony's. Then the next day, through the generosity of the Laidlaw Bus Company and their drivers, buses brought children to Gilbert from the Hinsdale and Batcheller Schools for a special holiday concert. The smiles on all those little faces as they sang along to their favorite holiday tunes was worth more than a thousand words! ❖

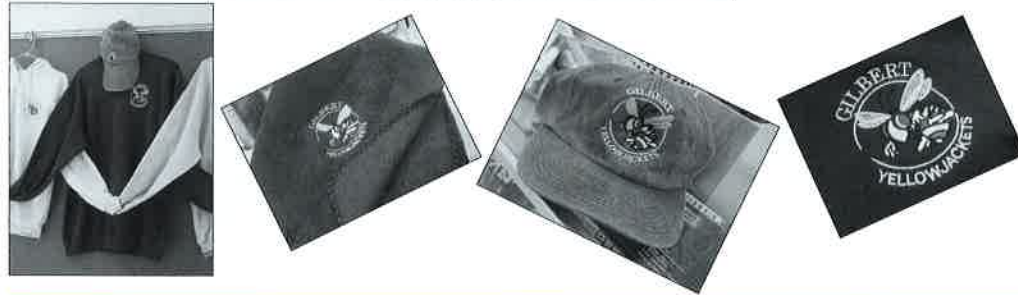

Special thanks to Laidlaw Bus Company and their drivers, whose buses brought children to Gilbert from the Hinsdale and Batcheller Schools for a special holiday concert.

The Gilbert School Chapter of DECA, started in 2003 under the leadership of faculty member and alumnus John Dombrowski '73, will participate in a state-wide leadership conference in March. Students will compete against approximately 1,000 DECA members from throughout Connecticut for places in the International Career Development Conference to be held in the spring in Anaheim, California. Pictured at left are Gilbert students at the Initiation and Installation Ceremony for 2004–2005.

Gilbert's DECA chapter, which stands for Distributive Education Clubs of America, is active at the school and in the community. The group operates the school store, where students can purchase school supplies and a wide variety of logo merchandise such as sweat-shirts, hats, sports bags, etc. Logo items can be viewed and purchased on the Gilbert School web site at www.gilbertschool.org.

Coach Jim Welcome '70 Retires

The Gilbert School Boys Basketball program suffered a big loss when Coach Jim Welcome '70 retired from the head basketball position at The Gilbert School. Jim entered the coaching ranks in 1987 and coached at Gilbert for 17 faithful years until his retirement in 2004. During that period he compiled an amazing record of 316 wins against only 94 losses. Welcome called it a day, ending his reign as the Gilbert coach in which he put the basketball program on the map. Welcome's athletes won two State titles—back to back—in 1998 and 1999. The Berkshire League Championship was won seven times, enjoyed an undefeated season in 1998 (27-0) and an amazing 54-game winning streak in the Berkshire League.

The Athletic Department and the Gilbert School community thank Jim for his years of dedication to the program and the athletes and we wish him well in retirement. ❖

REUNIONS

1963—1966

Members of the Classes of 1963–1966 celebrated together in early November with a weekend of festivities, starting with an informal gathering at The Gilbert School on Friday evening. On Saturday, the group of over 200 gathered at Crystal Peak for dinner, dancing and reminiscing. A group of about 20 who couldn't make it to the November 5-6 events got together after Thanksgiving at Mario's in Winsted to continue the celebration, including Mr. and Mrs. Tom Lilliendahl '63, who traveled to Winsted from the Czech Republic where they are missionaries. Special thanks to the Reunion Committee for making the events memorable ones—Skip Griffin '63; Marilyn Gundelach Bazzano '64; Barbara Hawley '65; Sandy DiVita Lemelin '66 and Committee Chair Karen McCornick Onion '63. ❖

The Class of 1974 celebrated their 30th reunion on October 16th, 2004 at Crystal Peak in Torrington, CT. Classmates entered through love-bead curtains and were warmly greeted by committee members. Mark Lamoureux did an excellent job as Master of Ceremonies, leading guests through 70s trivia games and awarding prizes to the top teams. Al Hernandez recalled memories of high school days and Craig Schroeder, a favorite teacher from the 70s, stopped in and stole the spotlight from Al for a few moments. Classmate William Stajos and his wife, Melissa, provided beautiful laser cut wood ornaments for all classmates as a memento of the evening.

Classmates traveled from as far away as China, Texas, California and many other U.S. locations to attend. Thanks to reunion committee members Mark Lamoureux, Brenda Carpenter Holden, Barbara Ford Fradette, Noelle Lamoureux Winn, Sandra Soucy Griswold, Henry Milkowski and Laurel Dewey Brennan for all their hard work in bringing the class together for a special evening. ❖

It was 25 years for the Class of 1979! The weekend started out with an informal gathering at the Hawk's Nest on Friday night and then on Saturday classmates visited The Gilbert School and joined in Homecoming festivities that included a performance by the Alumni Band, an Alumni Luncheon and the football game. Festivities continued on Saturday evening with a dinner dance at the Cornucopia with about 50 in attendance. Congratulations to the reunion committee for a job well done. Hope to see you all again for the 30th! ❖

In 1895, The W.L. Gilbert Trust Corporation was established through a bequest from local businessman William L. Gilbert. It was his expressed wish that a school be created with these funds so that a sound education could be made available to all students. It was also his wish that a sixteen member Trust be charged with "the establishment and maintenance of an institution of learning to be known as The Gilbert School."

One hundred and ten years later, the School still stands as Mr. Gilbert's legacy and his bequest continues to be carefully managed by the Trust. Gifts from generous alumni and friends over these many years have contributed to the growth of his original vision. The Gilbert School community thanks our many donors for their part in *BUILDING ON A CENTURY OF TRADITION*.

You help make The Gilbert School a special place. We are confident that we are worthy of your support and if we can answer any questions about this report, about how to make a gift, or about the efforts of the Office of Development and Alumni Relations in general, please don't hesitate to ask.

Every gift is important and every gift makes a difference. Thank you for your confidence and your support.

THE GILBERT ANNUAL FUND

The W.L. Gilbert Trust Corporation and The Gilbert School extend sincere appreciation to all those who so generously contributed to the 2003-2004 *Gilbert Annual Fund*. CLASS OF 2004 SENIOR CLASS GIFT

It has been customary for members of the senior class to present a gift to The Gilbert School upon their graduation. We gratefully recognize and acknowledge members of the Class of 2004 for their generosity and thoughtfulness in designating that their gift be used toward new lighting in The Gilbert School Auditorium.

RECOGNITION OF SPECIAL GIFTS

The W.L. Gilbert Trust Corporation holds more than eighty named and endowed funds. The interest from many of these funds is used to provide scholarships to Gilbert graduates; some are designated for support of academic departments and programs. Additionally, gifts are periodically made directly and without restriction to the endowment of The W.L. Gilbert Trust. We are pleased to recognize the following individuals who have made contributions during the past year to these funds, further ensuring the perpetuity of the Trust itself as well as available assistance to students. Your generosity enables us to help students who wish to continue the pursuit of knowledge beyond the halls of The Gilbert School.

SCHOLARSHIPS AND NAMED FUNDS

The following is a listing of scholarships and named funds managed by The W.L. Gilbert Trust Corporation. Since the first scholarship was established in the early 1900s, the number of these funds has grown considerably, with a value of more than \$1 million. Each year, the Scholarship Committee of The Gilbert School is pleased and proud to present these scholarships and awards to deserving students and alumni for the furtherance of their education. We are grateful for the thoughtful commitment of alumni and friends to the continuing education of our students. For information on how you can contribute to these funds or create a new named fund, please contact The Gilbert School Office of Development and Alumni Relations.

WAYS YOU CAN HELP

While the most beneficial charitable gift is an outright, unrestricted contribution of cash or appreciated securities, there are other ways in which you can help further the mission of The W.L. Gilbert Trust Corporation and The Gilbert School. The following are some of those ways.

THE GILBERT ANNUAL FUND

Established in the fall of 1999, this annual appeal to alumni and friends generates funding to help provide enhancements for teaching and learning experiences at The Gilbert School. Since its inception, more than \$135,000 has been raised. We have been able to grant monies for updated classroom equipment for the study of math and science; a printing press for the Art Department; a scoring table for the Gymnasium; program assistance and many other things. The Gilbert Annual Fund helps us to provide students with more tools needed to excel in the complex world ahead of them. Your generous support is appreciated.

PLANNED GIFTS

Planned gifts help you to accomplish personal, family, and philanthropic goals. A planned gift can take many forms with the most well-known being a bequest or a charitable trust. A planned gift generally means any charitable contribution that requires considerable forethought and deliberation. Often these gifts can be made in such a way as to benefit you and your family during your lifetime while at the same time enabling you to make a significant contribution to The Gilbert School. The Office of Development and Alumni Relations can provide you with more information on the different types of planned gifts.

While we are available and willing to assist you in any way we can, it is always prudent to seek professional counsel before finalizing such major gifts to ensure that your wishes are carried out in the best and most beneficial manner possible for all parties.

ESTABLISH A NAMED FUND

Another way to make a significant gift to benefit The Gilbert School is by establishing a named fund. This can be for unrestricted purposes or you can restrict your contribution to a specific program or fund. You can name the fund after yourself, loved ones, or in honor/memory of a parent, spouse, child or other family member or friend. These gifts are added to the endowment of The W.L. Gilbert Trust Corporation and will generate support for The Gilbert School in perpetuity. Currently, the minimum amount needed to establish a fully endowed, named fund is \$10,000. A partially endowed fund may be established with an initial gift of \$2,000 and gives the donor five years to reach the required minimum of \$10,000. Alternatively, you can designate that your yearly contribution of \$500 or more be given as a named scholarship or award. For additional information on establishing a named fund to benefit The Gilbert School, please contact the Office of Development and Alumni Relations.

MEMORIAL DONATIONS

Memorial donations are accepted at any time and in any amount. Simply indicate where you would like the gift directed and in whose memory. A notation will be made in the Honor Roll of Donors and family members will be notified of your kindness. Oftentimes memorial donations will be used as the basis for the establishment of a named, endowed fund and family members will make up the difference to reach the \$10,000 minimum as described earlier. Family members should notify us as soon as possible if this is of interest.

MATCHING GIFTS

Thousands of employers encourage philanthropic support by matching charitable contributions made by their employees to qualified institutions. If you or your spouse work for one of these companies, your gifts could be doubled—or better! Ask your Human Resources Department if your company participates. If so, ask them for a form, complete it and mail it to us with your gift.

SINGIN' IN THE RAIN

"Hollywood in the 1920s is the setting for this zany, light-hearted romantic comedy about the early days of sound film, when many a movie studio found itself scrambling to salvage the careers of chipmunk-voiced silent picture stars. The MGM classic starring Gene Kelly has been faithfully adapted by Broadway legends Betty Comden and Adolph Green from their original award-winning screenplay. Each scene, song and dance from one of the most celebrated and beloved films of all time is accounted for, including the show-stopping title number, complete with an onstage rainstorm!"
