★ 2026 Wall of Fame Nomination

Nominations for the **Michigan City Area Schools Wall of Fame** are now being accepted. This annual award, first presented in 1976, honors school employees who have made outstanding contributions to the children of MCAS. Employees from every area are eligible. This includes administrators, custodians, food service personnel, instructional assistants, maintenance personnel, paraprofessionals, teachers, transportation staff, and secretarial staff.

To qualify for nomination, the candidate must have been employed by the Michigan City Area Schools for a minimum of 15 years. (Special circumstances such as hardship or death may be considered for candidates not meeting the 15-year requirement.) He or she must have been retired or separated from the school system for at least five years. Because retirees are sometimes called back to service by MCAS, the date of separation shall be considered the official retirement date, not to include any subsequent employment by MCAS. Employees from schools that were independent before school reorganization, as well as those from schools no longer in existence, are also eligible. Death does not make the person ineligible.

All applications remain on file for three years. At the end of that time, each candidate must be renominated. When a candidate is removed from the active list, the person who nominated them will be notified.
