Keeping the Momentum from Kindergarten with Ms. Malecka

(Capacity 15 students)

This three-week course is designed for incoming first-grade students. In this course, students will have the opportunity to keep up the momentum from all they have learned in kindergarten and to better prepare them for first grade. We will review key phonics skills, strengthen reading fluency, and continue to build reading comprehension. In addition, we will review foundational math concepts and practice essential math skills.

- **Grade 1**
- Weeks 1-3: July 14-30 (9:00-11:30 a.m.)
- Tuesdays, Wednesdays, and Thursdays
- \$385.00 (student supplies included in registration fee)

Keeping the Momentum from 1st Grade with Miss Cervantes

(Capacity 12 students)

This four-week course is designed for incoming second-grade students. In this course, students will have the opportunity to keep up the momentum from all they have learned in first grade and to better prepare them for second grade. We will dive into a review of phonics skills, reading fluency, comprehension skills, as well as adding and subtracting two-digit numbers and place value.

- **Grade 2**
- Weeks 1-4: July 13 - August 5 (8:00-11:00 a.m.)
- Mondays, Tuesdays, and Wednesdays
- \$560.00 (student supplies included in registration fee)

"Sum" Up 2nd Grade with Mrs. Tobin

(Capacity 12 students)

This four-week summer course is for incoming third-grade students who are excited to keep learning and exploring. This multi-subject course is designed for students who want to boost their knowledge of important second-grade skills and be better prepared for third grade. Fun, engaging activities are designed to focus on reading comprehension, phonics, writing, and math, to keep the learning going all summer long!

- **Grade 3**
- Weeks 1-4: July 14 - August 6 (8:00 a.m. - 12:00 p.m.)
- Tuesday - Thursday
- \$660.00 (student supplies included in registration fee)

Writers & Illustrators with Mrs. Zeller

(Capacity 12 students)

Students examine the craft of authors and illustrators through the study of mentor texts and focused lessons on narrative elements. Students apply these concepts to develop an original illustrated book through guided planning, drafting, revision, and visual design. You will spend time working on the required reading/writing summer project as well.

- **Grades 3-4**
- Week 3: July 27-31 (8:00 a.m. - 12:00 p.m.)
- Monday - Friday
- \$385.00 (student supplies included in registration fee)

Summer Boost: Get Ready for 4th Grade with Mrs. Von Cannon

(Capacity 10-20 students)

This summer, rising fourth-grade students will dive into a fun, supportive course designed to build confidence and sharpen core skills in reading, writing, and math. Through hands-on projects, short focused lessons, and collaborative activities, students will review important third-grade concepts and explore new fourth-grade topics to start the new school year ready to succeed.

- **Grade 4**
- Week 4: August 3-7 (9:00 a.m. - 12:00 p.m.)
- Monday - Friday
- \$280.00 (student supplies included in registration fee)

4th Grade Summer Math with Mrs. Meyers

(Capacity 10-20 students)

This summer math class is designed to help rising 4th graders strengthen their math skills in a fun, relaxed, and supportive environment. Students will review key concepts from third grade and preview important fourth-grade topics, including multiplication and division, fractions, place value, word problems, and basic geometry. Lessons include hands-on activities, math games, group practice, and real-world problem solving to build confidence and accuracy. The goal is to prevent summer learning loss while helping students feel prepared and excited for the new school year.

- **Grade 4**
- Week 3: July 27-31 (9:00 a.m. - 12:00 p.m.)
- Monday - Friday
- \$275.00

Elementary Study Skills with Mrs. Latin

(Capacity 10-20 students)

This course is designed to help fourth- and fifth-grade students develop their skills in listening, speaking, reading, writing, note-taking, studying for tests, critical thinking, time management, memorization techniques, and goal setting. This course will be applied across all subject areas.

- **Grades 4-5**
- Week 1: July 13-17 (9:00 a.m. - 12:00 p.m.)
- Monday - Friday
- \$275.00

5th Grade Preparedness with Miss Langill

(Capacity 10-20 students)

Students will be preparing for the rigor of fifth grade by practicing annotating, presentation skills, working with teams, MacBook training, and organizational skills. These important skills will be taught through group projects, note-taking, and interactive technology.

- **Grade 5**
- Week 3: July 27-30 (8:00-11:00 a.m.)
- Monday - Thursday
- \$225.00

Moving Into Middle School with Miss Beard

(Capacity 10-20 students)

Make a smooth transition to middle school by becoming acquainted with the St. Anne School campus, learning how to manage multiple classes and the workload, and adapting to the social and emotional aspects of middle school student life. You will spend time working on the required summer reading projects as well. *(This course is designed for rising sixth-grade St. Anne Students only).*

- **Grade 6**
- Week 4: August 3-7 (8:00 a.m. - 12:00 p.m.)
- Monday - Friday
- \$350.00

Math Prep for Middle School with Miss Langill

(Capacity 10-20 students)

Students will review foundational math skills learned in fifth grade and preview upcoming skills they will encounter in sixth grade. Concepts that will be covered include multi-digit multiplication and division, decimals, and fractions. Each class will include a logical reasoning puzzle and problem-solving practice. Who says math can't be fun!?

- **Grade 6**
- Weeks 1-2: July 13-24 (8:00-10:00 a.m.)
- Monday - Friday
- \$375.00

HSPT Prep Course with Mr. Llewellyn

(Capacity 10-20 students)

Get a head start on preparing for the High School Catholic Entrance Exam. This course will give rising eighth-grade students the opportunity to prepare for the mandatory HSPT exam to enter local private Catholic high schools, i.e., JSerra, Santa Margarita, etc. Learn expert strategies to go into the exam with confidence to achieve a high score.

- **Grade 8**
- Week 3: July 27-30 (8:00 a.m. - 12:00 p.m.) **or**
- Week 4: August 3-6 (8:00 a.m. - 12:00 p.m.)
- Monday - Thursday
- \$325.00 (HSPT Prep book included in the registration fee)

***All courses run Monday through Friday, unless noted otherwise**

***All fees are non-refundable unless the class is canceled due to low enrollment.**
