

Dear Parent/Guardian/Caring Adult,

We would like to extend a welcome to seventh grade to you and your child from the Eau Claire Area School District and inform you of immunization requirements.

Wisconsin State Law requires that all immunizations be up to date within **30 days** of entering the school system. New students will be asked to provide a record of immunizations at registration; all others are requested to provide records to the school when your child receives additional immunizations. Please take the opportunity to take care of this prior to the start of school.

Immunization Requirements for incoming 7th graders:

- **Tdap (Tetanus, Diphtheria, and Pertussis) vaccine**
- **MenACWY (meningococcal) containing vaccine**

*Waivers for personal, religious or health reasons remain an option.

If you have any questions, please contact your school nurse.

Sincerely,
Eau Claire Area School District Nurses
