## Eleyo

Eleyo is our online registration and payment platform for Flyers Club Camp.

- We have included a link to Eleyo [here](#).
- A helpful parent guide for Eleyo is available [here](#).
- Families can access their Eleyo account at any time to update information.

## Camp Registration, Payment, and Fees

- Submit your Flyers Club registration at [lindberghschools.ce.eleyo.com](http://lindberghschools.ce.eleyo.com). If you are new to Lindbergh and don't already have an existing account, you will be asked to create a new one. If you've registered with us before or already have an Eleyo account, you will use your existing one.
- **NEW** - There is a **\$100 non-refundable, non-transferable** registration fee per child, with a **maximum of \$200 per family** to be paid at the time of registration. This fee helps ensure camp spaces are reserved for families who plan to attend and prevents spots from being held as placeholders, allowing us to better plan staffing and keep camp availability accessible to families who truly need care.
- Pick your weeks with the choice of 4-day (M-Th) or 5-day (M-F) options.
- Enrollment is on a first-come, first-served basis and depends on available space and staffing ratios. All enrollment applications are placed on a waiting list pending approval. You will be notified by an automated email when your contract is accepted.
- **NEW** - Billing is on a weekly basis with an invoice coming to you via email on **Mondays, 3 weeks** before the first day of your chosen camp week, and **your payment is due the following Monday**, which is 2 weeks before your scheduled camp week. Enrollment in camp is not guaranteed unless payment is received on the due date.
- All fees are due as scheduled. Failure to remit payment in accordance with these terms may result in suspension or termination of program participation.

## Payment Processing Fees

### **NEW - Effective May 25, 2026**

Beginning **May 25, 2026**, all **electronic payments will include a Program Payment Fee in addition to the payment amount.**

- The Program Fee is **withheld before funds are deposited** into the school's bank account.
- Program Fees are **non-refundable**. Even if a refund is issued.
- If a refund occurs, only the applicable program charges will be refunded - not the Program Fee.
- This pricing model may change at any time due to card brand rule updates or government regulations.

### **Accepted electronic payment methods include:**

Visa, MasterCard, Discover, American Express, eCheck (ACH)

### **Avoiding Program Payment Fees**

To avoid Program Payment Fees, families may pay by check made payable to Lindbergh Schools.

Attention: Amy Wohlstadter, 9350 Sappington Rd., St. Louis, MO 63126.

Checks must arrive on or before the date due.

## Credits and Withdrawals

Credits, prorations, or refunds **will not be issued for:**

- Mid-month withdrawals
- Student absences
- Holidays
- School closures

The full monthly fee remains due in full regardless of a student's participation or withdrawal date.

## Late or Failed Payments

- Families will be notified of electronically of late or failed payments
- Payments must be resolved within 5 business days of the due date.
- On the 6th day past due, a \$25 late fee will be automatically charged to the student account.
- Child care may be suspended or terminated if payment is not brought current.

## 2026 Summer Camp Weekly Rates

Days per Week	Weekly Fees
4 (M-Th)	\$236.00
5 (M-F)	\$263.00

## Withdrawals/Schedule Changes

**NEW - Any changes or cancellations to selected summer weeks must be made by May 4, 2026. After this date, contracts are final, and all payments will apply as scheduled.**

### Why This Change in Contract Cancellations/Changes Matters:

We know that summer childcare is vital for working families, and having confirmed plans early is essential. Summer moves quickly, and by asking families to finalize commitments by May 4, we are better able to:

- Reduce waitlists and last-minute openings, enabling families to plan ahead
- Confirm enrollment earlier for families instead of reaching out the week of camp
- Plan appropriate staffing, supplies, and programming
- Ensure a safe, well-organized, and high-quality camp experience for all children

Early commitments enable us to serve families more proactively and responsibly while continuing to grow our program thoughtfully. This change will help us maximize enrollment while maintaining the level of care, safety, and programming you expect from Camp Flyers Club.

- Clothes that cannot get dirty
- Electronics
- Money
- Food that needs to be kept cold and/or heated

## Drop-Off/Pick-Up Instructions:

- ***Park in the front lot and walk your child to Door #19***
- We will sign your camper(s) in at the door and take them to their classroom.
- This same procedure will be used for pick-up.
- All students must be picked up by 6 pm.
- Anyone picking up MUST have their photo ID ready at the door.

**\*Please be sure to arrive by 8:15 am if your child is scheduled on Wednesdays and/or Thursdays-these are swim and field trip days!** Arrival by 9:00 am on all other days assures that you will not miss any special activities. These times are important due to scheduled activities and buses.

## Authorized Pick up

We recognize that families may have unique routines and schedules that require multiple people to be available for pickup and drop-off. You may authorize as many adults as you need to be “authorized pickups” by adding them to your Eleyo pickup list. You may add or remove people when necessary. Please ensure your Eleyo account is kept up to date with all authorized pick-ups, phone numbers, and other details. Anyone picking up MUST have their photo ID available and ready at the door.

\*For your convenience, we have included the link to the Eleyo parent guide [here](#).

## Late Pickup Policy

**All students must be picked up by 6 pm.** Please make every effort to ensure your child is picked up before that time. We understand that emergencies do sometimes occur. Please notify camp immediately if an emergency or something unexpected occurs (314-358-0473) that may prevent your child from being picked up on time. Late pickups may incur a \$ 1-per-minute charge to your account. Persistent tardiness will result in your child's dismissal from the program.

If there has been no contact with the late family by 6:30 pm, the Program Supervisor and Program Director are notified. If there has been no contact with the late family by 7:00 pm, the St. Louis County Police will be notified. The Program Director reserves the right to terminate enrollment if late pickups are excessive.

## Camp T-shirts

Each camper will receive one camp T-shirt on their first day of camp. We ask that every student wear their camp t-shirt on Field Trip day, which is on Thursdays. Wearing the camp-issued field trip t-shirt will help ensure your child is easily identified as a part of the Lindbergh Flyers Club camp. Unfortunately, we will not have ‘loaner’ t-shirts available to use. Please mark your weekly calendar to wear field trip t-shirts on Thursdays.

## Field Trips/Guest Speakers (on Thursdays) & First Student Transportation

Field Trips or special guest speakers are scheduled for Thursdays. Please arrive on time **wearing your Camp Shirt on Field Trip Thursdays**. Be sure to have your water bottle and sunscreen on as well. Wearing a good protective hat is also good for these days, especially if it is an outdoor field trip. Students will be transported to and from the pool and all field trips by First Student Transportation.

## Swimming on Wednesday (Weather permitting)

On Wednesdays, we swim in the outdoor pool at Arnold Recreation Center, 1695 Missouri State Rd., #2004, Arnold, MO 63010 (location subject to change). **Wear your swimsuit to camp, bring your extra clothes, and a towel.** (You do *not* need to wear your camp shirt on Wednesdays) This helps us get out the door faster, so we have more time at the pool. To avoid having a lot to keep track of, we will be changing back at the school. Wearing flip-flops or sandals on this day would be a good idea (just easier). Please put your name on all of your extra items.

## Snow Cone Truck Tuesdays

The Kona Ice Truck visits camp every Tuesday afternoon. All students are welcome to enjoy this cool summer treat at no additional cost.

## Lunch & Snacks

Please pack a sack lunch with two snacks (an AM snack & a pm snack) with your child every day while at camp. **There will be no access to refrigeration, microwaves, or any additional food or beverages, so plan accordingly.** Please be mindful of fellow campers with peanut or nut allergies. We appreciate your consideration, as our campers' safety is our top priority.

## Water Bottle

Please pack a water bottle with your camper each day for camp. Please label your child's water bottle with their name on it so it's clearly visible. We will have access to water fountains while at Dressel for refills. However, during field trips, it may not be as easily accessible.

## Sunscreen

Please apply sunscreen to your child prior to camp drop-off. If you would like your child to reapply sunscreen during camp hours, please send a bottle and clearly label it with your child's name. Please note that we cannot share sunscreen with other campers.

## What to Wear

Please send your child to camp in clothes they can play in and get dirty in. This includes wearing closed-toed shoes at camp. We do "active" games every day, either on the field or in the gym. We also do a lot of walking. These activities are not safe in sandals. Please **NO FLIP FLOPS OR CROCS** except on swim days. They are not safe for children who run or are active. We ask that you keep these thoughts in mind regarding your child's clothing while at camp.

## Medical Authorization at Camp

If you have a child who will need to take medication during camp hours, please read the following information. Please note that all required medications and paperwork must be given to the camp personnel at the time you drop off your child for camp. Medications cannot be left in the child's possession or backpack. This includes daily medications, inhalers, Epi-Pens, and similar items. Please contact the camp office if you have any questions or concerns regarding our policies and procedures. A Medication Administration Record form can be found [here](#) to print out for your convenience.

## **Daily Medications**

- A prescription label from the physician must be affixed to the container, including specific instructions for administering the medication.
- A medication administration record must be completed by the parent/guardian. This will allow camp staff to administer the medication to the child.

- Medications will not be given without proper labels, instructions, and authorization.
- Expired medication will not be accepted.
- All required medications and paperwork must be given to the camp personnel at the time you drop off. Medications cannot be left in the child's possession or backpack.

- A Medication Administration Record must be completed by the parent/guardian.
- Expired inhalers will not be accepted.

## **Seizure**

- If a child has a seizure disorder, parents/guardians must submit a Seizure Action Plan from the physician.
- Parents/Guardians must provide the camp staff with the necessary medication in its original packaging, including instructions.
- A Medication Administration Record must be completed by the parent/guardian.
- Expired medications will not be accepted.
- All required medications and paperwork must be given to the camp personnel at the time you drop off. Medications cannot be left in the child's possession or backpack.

## **Emergency Medical Care Authorization**

Family or guardians will be notified in the event a child has an emergency illness or accident. In a true medical emergency, our first priority will be to call 911. The policy for first responders with 911 is to dispatch the ambulance available at the time; hospital selection is at the ambulance's discretion.

## **Illness or Injury**

When a child has more than a minor injury or becomes ill, we will notify a parent or guardian. Examples include, but are not limited to, fever over 100 degrees Fahrenheit, vomiting, severe coughing, diarrhea, pink eye, difficulty in breathing, unusual spots/rashes, or lice. Families may be asked to keep their child home for a longer than 24-hour period, depending on the type of illness. The child should have a temperature of 100°F or lower without fever-reducing medication for 24 hours. A designated camp staff member will communicate with families on a case-by-case basis.

## **Contacting Families in a Medical Emergency**

It is extremely important that you keep the following items updated in your Eleyo account:

- Cell phone number for parent or guardian
- Work phone number for parent or guardian
- Home phone number, if applicable
- Emergency telephone number of person or persons to call if the parent or guardian cannot be reached

\*For your convenience, we have included the link to the Eleyo parent guide [here](#).

## **Outdoor Play**

Provided the temperature and air quality guidelines are met, the camp will go outside every day. To ensure your child is protected from heat or sun, please send climate-appropriate clothing. Students may apply sunscreen with supervision. We use district guidelines for outdoor activities. Time limitations may apply in certain situations.

## **Photos/Videos**

Sometimes we take photos or videos of our children in class for promotional and marketing purposes. At times, a photo may appear in a newsletter, catalog, or on a website. If you prefer that no photos/videos of your child be used, please email or write to our office letting us know your preference. Since our programs take place outside the school day, we need a separate notice from your school building form. Please note that any activities or events that take place and are in an area available to the public are exempt from removal. However, we will still make every effort to accommodate your preference. If you approve of your child's photo being taken for promotional or marketing purposes by the district, then no action is necessary.
