**School Psychologist Intern**

Genesee Valley CSD is seeking a School Psychologist Intern for the 2026-27 school year. Applicants should be currently enrolled in a graduate program in School Psychology and have advanced to their internship year requirement. Supervision will be provided by a NYS Licensed Psychologist and aligned with intern training goals and program requirements. The intern will gain hands-on experience in assessment, counseling, consultation, intervention, and special education processes while assisting in meeting the social, emotional, and academic needs of students in both general and special education programs. Stipend: \$20,000

**Responsibilities include:**

- Assist in conducting multidisciplinary and psychoeducational evaluations for Special Education eligibility
- Administer, score, and help interpret psychological and educational assessments
- Prepare written reports summarizing test results, observations, and recommendations
- Support CSE, Section 504, and IEP processes, including participation in meetings
- Collaborate with teachers, administrators, families, and related service providers to develop student goals and recommendations
- Conduct or assist with functional behavioral assessments (FBAs) and develop behavior intervention plans (BIPs)
- Support behavior management and counseling interventions; assist with individual counseling, crisis management and social skills groups as appropriate
- Participate in consultation and data-based problem-solving teams, including MTSS initiatives
