

Suggested AP & Honors Course Load

Aim for 7 Total Courses to Keep a Balanced Schedule.

Grade Level	Student Experience	AP / Honors Courses	Suggested Approach
10th Grade	Never Taken AP/Honors	1	Start with 1 to explore rigor
	Taken 1 Honors or High-Level Math	1-2	Add 1-2 if ready for a challenge
11th Grade	Never Taken AP/Honors	1-2	Try 1-2 as an introduction
	Taken 1 Honors or High-Level Math	2-3	Consider 2-3 for balance
	Taken 2+ Honors/AP Courses	3-4	Choose 3-4 if prepared
12th Grade	Never Taken AP/Honors	1-2	Pick 1-2 for your goals
	Taken 1 Honors or High-Level Math	2-3	Aim for 2-3 as a challenge
	Taken 2+ Honors/AP Courses	3-4	Limit to 3-4 to stay balanced

Please note that the number of AP or honors courses recommended is based on the student's performance in the prior year, specifically earning A's and B's in these classes.

We encourage students to aim for seven total courses to maintain a balanced schedule, while the eighth course could be a free period to allow time for homework and to utilize school resources.
