

# Summer Robotics Camps

Powered by **Tesla.**  
Inspired by **you!**

## FIRST LEGO League Camp – Grades 4 - 6

June 8 – 12, 2026      8:00am – 11:15am  
June 22 – 26, 2026    8:00am – 11:15am  
July 6 – 10, 2026     8:00am – 11:15am

For students going into grades 4 - 6. Whether you've been on an FLL team in the past, are considering being on a team in the future or just enjoy creating with LEGO's, this camp is for you! Using the **LEGO Spike Prime Robotics System**, students will participate in robotic challenges throughout the week. Based on FIRST LEGO League's competitions, FLL Camp is a great way to learn teamwork, robotic design, and programming in a fun, exciting atmosphere where creativity is the name of the game.

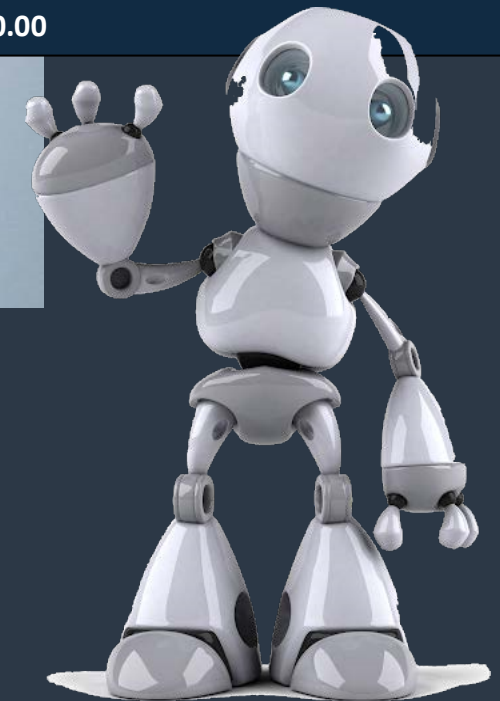

**30 student limit per session.      Cost: \$40.00**

## FIRST LEGO League Camp – Grades 7 - 9

June 8 – 12, 2026      12:00pm – 3:15pm  
June 22 – 26, 2026    12:00pm – 3:15pm  
July 6 – 10, 2026     12:00pm – 3:15pm

For students going into grades 7 - 9. Designed for the advanced tinkerer and creative thinker, the upper level FLL camps will challenge you, and inspire you to challenge yourself. Whether you're a seasoned veteran of programmable LEGO creations, or just getting into the exciting world of LEGO robots, this camp will help you realize your abilities in a fun and exciting way. Students in this camp will engage in an FLL challenge of grand proportions and will walk away exhilarated and inspired.

**30 student limit per session.      Cost: \$40.00**
