

How do we communicate with you??

Parent Square

CCCSD uses ParentSquare as its mass communication system to share relevant information from the District and school buildings. The platform allows families to set their notification preferences as well as communicate with district staff members.

Infinite Campus

The Infinite Campus Parent Portal is where you will find your student's report cards, daily attendance, and bus route information.

You can visit the Parent Portal online:

Social Media

Follow us on social media for updates on what is happening inside our buildings and reminders about upcoming events.

We're on Facebook, Instagram and X (formerly Twitter).

District website

Our district website, cccsd.org is regularly updated with news, events, resources and other important information.

The LINK

CCCSD mails a printed newsletter, the LINK, to all resident homes in the district. Newsletters are mailed four times a year and include a fall/back to school edition, a winter edition, the budget brochure and our summer/graduation edition.
