Early Childhood Education

A resource fair for families, from pregnancy through baby's first year

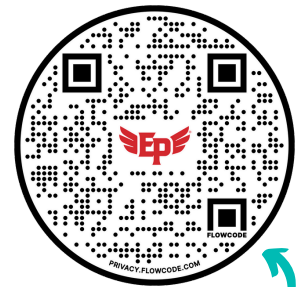

March 7, 2026 • 9 a.m.-12 p.m.

Eden Prairie Schools Community Education Building: 8100 School Road

Do you have a new baby on the way—or a little one up to one year old? Join us for our very first Baby Expo on **Saturday, March 7!** This open-house-style event is a chance to explore ECFE (Early Childhood Family Education) classes, connect with local exhibitors and learn about helpful baby and family resources. You'll also have the opportunity to talk with a parent educator and take part in short sessions like car seat safety, baby storytime, and exercises to support you before and after your baby's arrival. Plus, every family can take home a footprint keepsake and enter to win amazing prizes! **We can't wait to see you there!**
