DISCOVER YOUR HOME FOR WELLNESS

At Ebb & Float, we believe that a better world begins within. As educators and staff of Columbus City Schools, your contributions directly shape the hearts and minds of the children in our community. How you tend to your inner world and show up in your role has the power to create a ripple effect of positive influence that students will notice, feel, and embody throughout their lives.

Here you can find your home for wellness, where experiences go beyond self-care to support your mental, physical, and emotional well-being. Ebb & Float is proud to partner with Columbus City Schools to offer exclusive discounts on services so you are able to find rest, recover, and show up as your best self in your work and life.
