February 9, 2026

Dear Millsap I.S.D. Parents, Guardians, and Staff:

We want to thank our Millsap I.S.D. families for their understanding during the icy conditions the week of January 24th. The purpose of this informative letter is to provide background information regarding normal instructional time and how it affects Millsap I.S.D. the remainder of the 2025-2026 school year.

Beginning with the 2024-2025 school year, House Bill 2633 required school districts to operate for a total of 75,400 minutes, allowing district flexibility when creating their school calendar. This is opposed to the previous requirement of 180 instructional school days. As you are aware, Millsap I.S.D. was closed for 4 instructional days the week of January 24th. Our current 2025-2026 Millsap I.S.D. District Calendar has a surplus of instructional minutes embedded throughout the calendar year. 71 minutes (day of 4 instructional days) to be exact. A waiver filed through the Texas Education Agency will exempt Millsap I.S.D. those 71 minutes as well as add approximately an additional 1.81 days' worth of minute flexibility should we have any future issues.

Pending Millsap I.S.D. Board approval, our District will meet the instructional minute requirement as set by the Texas Education Agency, ensuring that Millsap I.S.D. will remain closed Monday, April 6th and Friday, May 22nd. We hope this information allows families to keep any plans they may have over the Easter and Memorial Day weekends.

Sincerely,

[Signature]
Dr. Harper Stewart
Superintendent of Schools
Millsap I.S.D.
