ELEMENT H

Enrollment Priority

DCS is a District/Charter partner public school committed to equal opportunity. Admission to DCS shall be open primarily to all district residents and as space is available to non-district residents, on a non-discriminatory basis without regard to race, color, national origin, creed, gender, ethnicity, age, ancestry, proficiency in English Language or academic achievement.

Families applying for admission to the school will be prioritized in the following manner:

1. Residential students with siblings currently enrolled at DCS. Students living within the boundaries of DCS, otherwise identified as the "neighborhood" – District Generated Boundaries Attendance area.
2. Residential students.
3. Children of staff members who are currently employed full time at DCS.
4. Intra-District Transfer students with siblings currently enrolled at DCS. These are students otherwise classified as students living within CVESD boundaries.
5. Intra-District Transfer students.
6. Inter-District Transfer students otherwise classified as students living outside CVESD boundaries.
7. If spaces become available up to 5 days prior to starting a new school year, enrolled and on the wait list students will be placed base on a lottery.
8. If an opening becomes available during the school year, the lottery system will take place to fill the open space within 30 school days.
