

Flexible Instructional Day Plan

Program: Cosmetology B (Knight)

Contact information: Sknight@steelcentertech.com 412-469-3200 ext.2522

Attendance: Attendance will be taken at the end of each session. The AM session's lesson will begin at 8:30, and the PM session's lesson will begin at 12:30 pm. Students must type their name in the chat and remain in the session for the duration of the lesson to achieve the clocked Cosmetology hours. Students are permitted to attend one or both sessions to achieve the cosmetology.

Virtual Meeting Lesson: In the event that Steel Center has an emergency closure, an email will be sent to students by 8:00 a.m. with directions for the day's class. The AM session will begin at 8:30 and end at 9:30. The PM session will start at 12:30 pm and end at 1:30.

Virtual Office Hours: Mrs. Knight's virtual office hours will be 9:45 to 10:30 am and 1:45 pm to 2:40 pm. For immediate help with any assignment or response to a question, log back into Zoom as it will be open during those times.

Technology Concerns: Students can receive the lesson of the day by logging into Steel Center's Canvas on Steel Center's website www.steelcentertech.com, then logging into the cosmetology Knight Canvas page. The lesson for the day will be on the weekly lesson plan.

If Students have a technology concern, we will need to provide them hard copies of an adapted technology lesson. We will send a letter to these students with resources for flexible instruction days.
