

Public Safety Flexible Instruction Day Plan

Remember you are required to attend zoom during normal class hours. AM students should be present on Zoom by 8:00 and PM students should be present by 12:10.

Flex day 1:

Using either the pdf or text version of Emergency Care and Transportation of the Sick and Injured 12th edition, complete the Knowledge Objectives listed on page 189. This assignment should be handwritten and turned in on the next day we have in person instruction. Answer all questions in full sentences using correct grammar.

Flex day 2:

Answer each question of the attached practice test. You may use your paper textbook, pdf textbook, or lecture slides. **YOU MAY NOT GOOGLE ANSWERS.** This should take you approximately 2.5 hours. You should write your answers on a separate sheet of paper that will be turned in at the beginning of class on the next day we have in person instruction. This assignment is worth 50 points.

Students should be taking their books home every night, but the pdf of the text is on Canvas. A paper list of flexible instruction day plans is given to students so they know in advance what to do. I also send the instructions with the zoom link each morning for a flexible instruction day in case a student cannot log in to Canvas. Please let me know if you need further information.
