How are agricultural practices influenced by the physical environment and climate conditions?

What is the relationship between the physical environment and agricultural practices?

Summative Assessment(s):

Students will respond to essay question related to

Learning Experiences

Add additional rows below as needed.

Objective or Content	Learning Experiences	Personalized Learning and Differentiation
		All information included by PLC in the differentiation box is the responsibility

		and ownership of the local school to review and approve per Board Policy IKB.
5.1 Introduction to Agriculture	Food & Agriculture Scavenger Hunt and Field Study Activity Students will complete scavenger hunt on food production independently or small groups. Students will share findings of where various foods are produced domestically.	Teacher provides discussion setting and offers feedback and previews to future units. Students will be allowed extra time to complete assignments when necessary.
5.2 Settlement Patterns and Survey Methods	Land Use Activity Students will review map of US. Students will be assigned a region to research. Students will research population, types of crops, whether area is growing or declining in population. Economy, cultural life, and other factors that may influence settlement. Think Pair Share: Students will research why do different regions use different settlement Patterns.	Teacher provides discussion setting and offers feedback and previews to future units. Students will be allowed extra time to complete assignments when necessary.
5.5 The Green Revolution	Development of Agriculture Notes: chrome-extension://efaidnbmnnnibpcajpcglclefindmkaj/ https://www.mrtredinnick.com/uploads/7/2/1/5/7215292/developments_of_agriculture.pdf Produce Field Study: chrome-extension://efaidnbmnnnibpcajpcglclefindmkaj/ https://www.mrtredinnick.com/uploads/7/2/1/5/7215292/produce_field_study.pdf	Teacher provides discussion setting and offers feedback and previews to future units. Students will be allowed extra time to complete assignments when necessary.
