January 2026

Dear Career Technical Education (CTE) Students & Families,

As we begin the new semester on January 26, 2026, we recognize that recent immigration enforcement has created challenges for many Minneapolis families. Our school remains a safe, supportive place for every student, and we are committed to your education and well-being.

Whether your student has chosen the in-person or online learning option through February 12, our teachers and staff are ready to help you build skills for life after high school.

Through hands-on, career-focused learning, you'll gain real-world experience and may even earn college credit or an industry-recognized certificate.

We wish you all the best as we start a new semester and look forward to seeing you thrive!

Michael A. Luseni, principal

Cell: 612-408-1345

[Log in to the Infinite Campus student or parent portal](#) to find out what CTE course(s) you are enrolled in. The room location on your schedule indicates which CTE Tech Center you will travel to for your in-person courses.

ETC = Tech Center @ Edison

RTC = Tech Center @ Roosevelt

NTC = Tech Center @ North

OL = asynchronous online, no travel required. Your home high school will provide a location. You may engage with the coursework at any time during your school day.

FREE TRANSPORTATION

Students in **in-person CTE courses** may ride an MPS shuttle between their home school and any of the three CTE Tech Centers. [Check out the transportation schedule attached to this email](#) for pick-up and drop-off times. For transportation questions, contact Principal Michael Luseni at 612-408-1345 or Michael.luseni@mpls.k12.mn.us.

Special Education Curb-to-Curb Bussing

If your student receives curb-to-curb transportation, please contact their Special Education Case Manager to arrange services.

ONLINE CTE COURSES

Students in online CTE courses will receive an email from their CTE teacher by 8:00 a.m. on Monday, January 26, sent to their MPS student email. This message will include instructions for accessing the online class. For questions about your online course, contact your teacher directly.

Online CTE Course	Teacher Email	Online CTE Course	Teacher Email

DROPPING A CTE COURSE

Students are expected to stay in their CTE course once schedules are set. If an exceptional situation requires a drop, you must first get approval from your home high school counselor. They will work with the CTE Tech Center registration team to complete the process.

CTE STUDENT HANDBOOK

You can find the [CTE student handbook at this link](#) or on our website. cte.mpls.k12.mn.us

Want to learn more about CTE?

If you are interested in learning more about CTE and/or registering for a course or two in the 2026-2027 school year, please see our [CTE Course Catalog](#) for more information about course offerings. For general inquiries, please email us at cteinfo@mpls.k12.mn.us.
