Coaching Salary Index

Coaching salaries will be computed on the following index based on the individual teacher's base pay including horizontal and vertical steps.

Sports percentage index will be as follows:

0% Sports - Golf, Cross Country

5% Sports - Track

10% Sports - Volleyball

15% Sports - Basketball

Salary X .08 = index salary + sport index figure (sport index is figured on coaching index salary).

Assistant coaching salary will be 50% of the computed salary figured on the individual's base.

Junior High coaching salary will be 25% of the computed salary figured on the individual's base if coach is on the teaching staff of MCS.

If the Coach is a non-teaching staff the salary will be 50% of the computed salary figured on the District Base

Junior High assistant coaching salary will be 25% of the computed salary figured on the individual's base.
