Marquette University High School Golf 2026

WIAA rules determine the golf season officially begins March 30 and continues through the WIAA State Tournament, June 8 and 9.

Marquette will host a **Player and Parent informational meeting** on Wednesday, February 25 at 6:00 pm in the President's Hall. We will discuss the season and answer any questions about the upcoming tryouts. This meeting is required for all participants.

Tryouts are to be held the week of March 30, and will be completed as soon as possible, hopefully by April 1. Positions will be determined by scores of rounds, summer experience, player's previous experience and the coach's discretion. All players are expected to be ready on the first day of tryouts. Candidates will be responsible for green fees and range balls during tryouts. Wisconsin weather in the spring is unpredictable and can be cold, wet or snowy during tryouts and the season.

Each candidate must have a physical and the following forms on file with the AD's office **before he** can try out: Athletic Code, Concussion waiver, FERPA, WIAA Eligibility Form. These forms can all be found on the Marquette website, www.muhs.edu.

Final cuts are made to determine the positions that make up the MUHS golf teams. The freshmen team is **typically** made up of ten players. The remaining positions will be for Varsity, Varsity Reserves and JV teams. The best players, regardless of year, are eligible for these teams.

After the team is selected, there is a participation fee. $340 fee for green fees, match and tournament expenses and approx. $150.00 which includes a team polo shirt, ¼ zip top.

Easter Break at Marquette High this school year is April 2 - April 12, 2026. Varsity players' first event will be April 11. No other teams will have any conflicts for Spring break. If tryouts are delayed due to weather we will use April 13 and 14 to set the teams.

Players are reminded that they will be representing Marquette University High School, and while out on the golf course, regularly without direct supervision from a coach. Players are expected to abide by the rules of golf, the highest codes of integrity, and the conditions established by the coaches.

All questions may be directed to Mr. Davis Jensen, Marquette varsity head coach, 518-729-9312 or jensen@muhs.edu
