Freshman Retreat

SLIDING INTO FRESHMAN YEAR Timothy's freshman retreat ends with an epic slip and slide, bringing friends together for some fun in the sun. With this community-building experience, they'll be better prepared for the fun adventures that await them: Octoberfest, sports, extracurriculars, and more!

BOYS ARE BACK IN TOWN Freshman boys bond during a designated time to worship God under staff leadership. Every year, Timothy's freshman class spends 24 hours of their summer break together to learn about high school life and build friendships.

GIRLS' NIGHT IN Freshman Emma Gagliano and her friends enjoy hanging out near Lake Geneva Youth Camp's store.

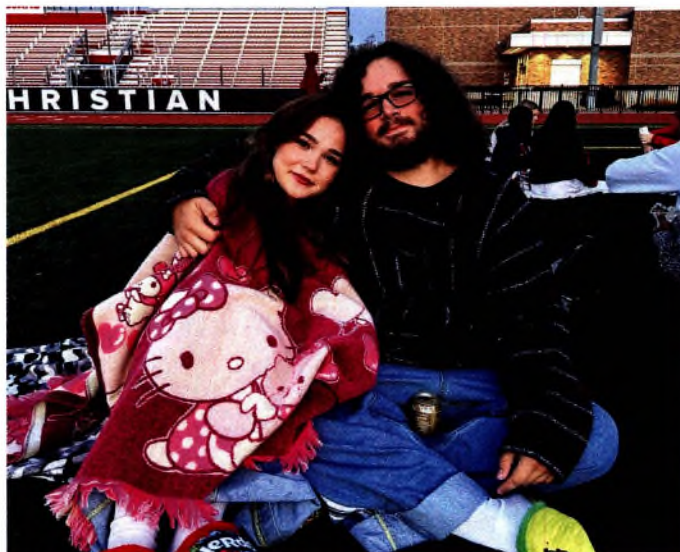

I loved how biblically-focused and encouraging my small group was!
- Katerina Tarullo '28

Senior Sunrise

SENIOR YEAR, HERE WE COME Senior boys Alex Miller, Evan Colegrove, Luke Canada, Christian Manguba, Jack Gudgel, Tong Yang, Jacob Ellens, and Eli Colegrove are all starting off the day enjoying the sunrise, getting ready to conquer the year.

A MEMORABLE MOMENT Seniors Maddison Banach and Dakota Fox share this pleasant experience that will never be forgotten!

TOGETHER FOREVER
Senior girls, Olivia Schaafsma, Norah Rudman, Wilehlmina Romano, Chloe Wiegers, and Sarah Loerop are gathered together for an amazing final year at Timothy.

I'm excited to start senior year! It'll be full of lasts, like this last first day, but it will be so fun to go through with my friends.

- Hannah Hoffman '25

Back To School Dance

SCRUMPTIOUS SNOWCONES Peter Buikema, Marc Gamble, Vivek Alex, and Grant Scott enjoy snowcones at the Back to School Glow Dance. The school graciously hired a snowcone food van, allowing every student at Timothy to receive one free snowcone with the purchase of a ticket for the dance.

**SUMMER NIGHTS
AND KONA ICE**
Etta Slinkman, Anna Stoll, Abby VanderWal, and Jacob Lanenga take some time away to pose for a photo after having an amazing time on the baseball field which serves for a dance floor.

The Back To School Dance is always a fun way to start off the year. It gives us a chance to bond with each other outside of a school setting and enjoy ourselves.

TEAM JESUS Revival Bible study members wear their matching sweatshirts on twin day for Spirit Week. Members include Miracle Adams, Mia Foy, Ella Rickert, Caroline Ewald, Julia Auriemma, Lainey Folkerts, Allison Ewald, Brooklynn Bunn, Izabel David, and Payton Bunn.

MADE WITH LOVE 10th grade students Alivia Boer and Grace Hoffman pose with a picture frame, showing off their twin day outfits for Spirit Week. "We spent 7 hours pinning and sewing ribbon onto our hoodies, but it was worth it," Grace said. You can still catch the girls wearing their matching sweatshirts at school, even after Spirit Week.

I enjoyed planning and attending each of the events like line dancing and watching the flag football game.

LAMPSTAND MINISTRIES Mrs. VanderMeer has been helping with Lampstand Ministries during renew for the last few years. She said, "I wasn't expecting their intentionality with sharing their history and their love for the North Lauderdale community."

HELPING HAND Ian Kazan helped to build plant boxes for the community during his renew service. He said, "Working with our individual groups to support their community led to new friendships and greater appreciation of what we had."

MYTHS MATTER AJ Rakers learned about Norse Mythology in his renew class. He said, "A favorite memory was when we went to visit a Viking ship and got to hold swords and swing 'em around each other in a controlled environment."

RED FISH, RENEW FISH Ryne Lanenga enjoyed his renew class saying, "We went on a fly fishing trip and got to hang out with friends and explore God's creation...and we caught no fish."

SAWS AND SERVICE

TC students spend time working to build a house to help the local community. Many students had no construction knowledge prior to the trip. Senior, Timothy Nulty, saws the frame for a window.

Timothy said his favorite moment was "bonding with the local workers across language barriers through soccer." He also said, "Our group realized the importance of being service minded and serving for selfless reasons, not selfish ones."

Slovakia

DEVO TIME Andy, Jovie, Finn, and Evan help give a devotional to inspire a local Christian school in Martin, Slovakia. Daniel Dagenheart, another member of the team, was asked for a highlight from the trip. He said, "Meeting Stephan was one my favorite parts; we got to travel with them including hiking and sightseeing. We spent a lot of time hanging out and laughing."

ORDER UP Ryan Bochat and Maci Woerner help serve food with Give Kids the World. Maci said she liked "having an open mind to helping in any way the family needs." She said, "You often don't even know their needs, which can make serving difficult but very rewarding." She also loved going to Disney World and connecting with her friends.

GROWING GARDENS

Students give a huge helping hand to local communities in Puerto Rico. They work hard to serve those in need with compassion and hard work! Team Remember Will Vogelzang was asked what his favorite moment was, and he said "I loved cleaning out the house and how high Miss Kliora jumped when she saw a spider." He also loved hanging out and doing activities with the kids."

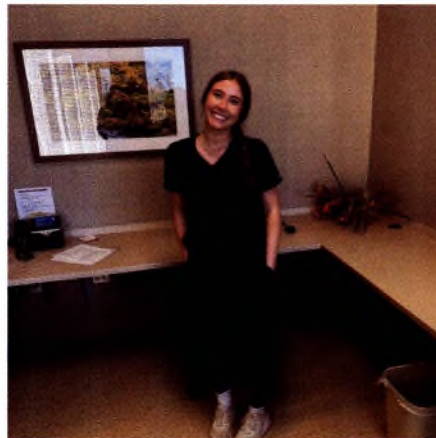

TAKING FLIGHT
Junior, Adam Roland, got to work with and observe many parts of the aviation industry. He went to the Southwest Airlines Department and Atlantic Aviation at Midway, an FAA Field Standard District Office, Lewis University, and a National Weather System Doppler Radar Facility. Adam said, "My internship definitely helped grow my knowledge in the aviation field, and getting to see and learn about so many different parts of the industry helped develop an inspiring education and career path for me."

Jennifer Stob spent her renewal working with Quad, a marketing and advertising firm; Jen worked under Jennifer Hickman. Her day-to-day meant arriving to the city by train and participating in meetings until noon. After lunch there were more meetings and work time until leaving around 4.

While interning there, the firm was preparing a pitch for a client. Jen researched the company, looking at their main audience and how they might be marketed to. The firm works with large companies, many in the health field, including Walmart's health and pharmacy services.

When asked about her favorite part of the job, Jen said, "The people—it was a welcoming industry with lots of young people, which made it easy to see myself in that industry. They told me how they made it. Also, they weren't expecting me to go into it, but just wanted me to learn."

Jen enjoyed her time with Quad, just as many of the students highlighted on this page.

I would recommend an internship; you do this for yourself, and it takes a lot to try something new in an environment you're not familiar with. Internships give you so many growing opportunities.

- Jennifer Stob, '26

MARKETING MASTERS Both Evie Bode and Mariah McCullar spent their Renew interning at Abelson Taylor Group, an advertising and marketing firm for pharmaceuticals. Evie said her favorite part of working there was "the environment. Everyone is very welcoming and very nice." She also noted, "Mariah and I got to see what their jobs are like, and can see different people working together." Mariah worked with graphic design, and Evie worked in copywriting, but Evie said, "Even though we were doing different tasks, we had to all work together."

A SPECIAL SERVICE A senior said about the Christmas Dinner, "This was one of my favorite TC events! Serving such thankful people and getting to know those from different walks of life was impactful and so much fun to be a part of."

"Congratulations to Hyan Sachs, Ryan McKenzie, and Jacob Ellens who have been named National Merit Semifinalists! The National Merit Scholarship Corporation (NMSC®) announced the names of more than 16,000 Semifinalists in the 70th annual National Merit Scholarship Program. These academically talented high school seniors have an opportunity to continue in the competition for some 6,870 National Merit Scholarships worth nearly \$26 million that will be offered next spring. Over 1.3 million juniors in about 21,000 high schools entered the 2025 National Merit Scholarship Program by taking the 2023 Preliminary SAT/National Merit Scholarship Qualifying Test (PSAT/NMSQT®), which served as an initial screen of program entrants. The nationwide pool of Semifinalists, representing less than one percent of U.S. high school seniors, includes the highest-scoring entrants in each state."

Music

"The music department at Timothy is very special. The ways our music teachers, students, and volunteers collaborate to support the performing arts is inspiring, and it helps the students to see how important their musical contributions are to the community. What a beautiful way to spread God's light and creativity!" - Mrs. Lanenga

Timothy Christian High is more than blessed to have a successful music department, ranging from orchestra, band, jazz, choir, and others. As a performing arts-emphasized school, Timothy's music department highlights the talented, musical students and what they are able to achieve through these arts. Throughout these students' contributions and performances, the student body has exemplified just what musical talents these individuals are capable of doing!

Orchestra

A MUSICAL SENSATION!

Fellow string players, such as sophomore Donna Canelos (in the center), all perform for the TC audience, sharing their impressive talents through their instruments.

EVERY STRING COUNTS! Senior Dakota Fox plays the cello to accompany the orchestra's bass throughout their outstanding performances.

Graduation

128

TWO PATHS The class address came from graduating senior, Samantha Dry. Sami wanted her classmates to remember that there are two paths in front of them: the way of the world, and the path God has laid out for them. She encouraged her peers not to be tempted by what the world will offer, but instead to lean on God and find meaningful relationships that will help them do so. Sami graduated with honors and will be attending Asbury University in the fall.

WELCOME ALL WHO CELEBRATE

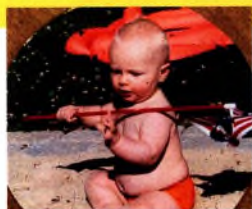

Senior graduate Chloe Wetterquist welcomed her classmates to their 2025 graduation ceremony. She reminded them to "fall down, get up, and smile" like Olympic champion figure skater Kristi Yamaguchi. Chloe also thanked everyone for their support of their graduates. She thanked parents, admitting, "A little secret which we can all now admit: We really did have no idea what we were doing." Chloe graduated with honors and will continue her education at U of I.

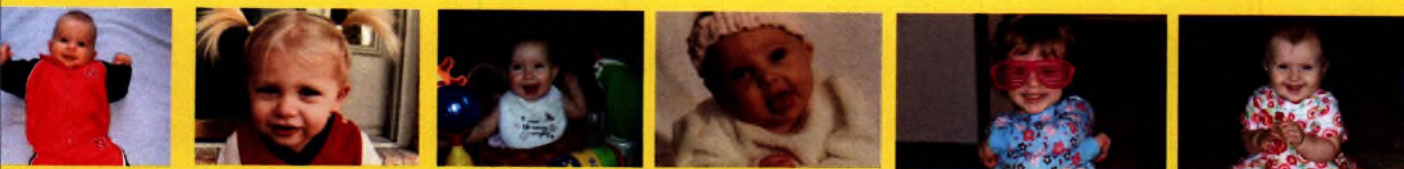

REMEMBER YOUR DIAPERS This year's commencement speaker was TC's very own Aaron Lindloff, renowned English and Theology teacher. Mr. Lindloff is no stranger to a pithy comment, and he wanted the graduates to remember their diapers." This memorable and seemingly silly comment had a much deeper meaning. Mr. Lindloff wanted students to remember that they cannot do it alone, and like babies, they need a lot of help. Instead of being "lovers of independence," they should lean on their friends, their families, and most importantly, God.

“ You are loved by the creator of the universe.
- Dr. Mitchell ”

Seniors' Final Week

Retiring Faculty and Staff

REMARKABLE REGISTRAR

Mrs. Ann Raley has been a fixture at Timothy Christian. From her days teaching English to her role as High School Registrar, Mrs. Raley does it all. She has been an incredible help to teachers, students, and parents alike. As Mrs. Raley moves on to her next phase, retirement, we want to wish her blessings and peace. The Timothy community will not be the same without her. We want to thank her for her many years of service. She has always had the utmost care for students' best interests. Thank you, Mrs. Raley!

THE MAINTENANCE MAN

Mr. George Drenth is always there when you need him. His work in the maintenance department is impeccable, but he is also committed to working with a smile and a wave. Thank you, Mr. Drenth, for your service to TC!

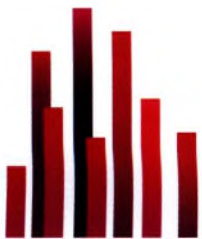

“ For many years, George worked nights. I still remember my first interactions with George as a high school student trying to 'con' my way into the gym after hours. While I can't imagine the sound of bouncing balls and constant shouting coming from the gym would be appealing to anyone trying to work, George just smiled and opened the doors for us.

- Mr. Lanenga ”
