

College Park High School is better...with YOU as a part of our PTSA! Your membership and support contribute significantly to our school's success. The Parent, Teacher, Student Association (PTSA):

- Awards up to five (5) \$500 scholarships for graduating seniors each year
- Provides teachers with money to purchase books, computers, classroom supplies, etc.
- Encourages and promotes communication between parents/guardians, teachers, students, and administration
- Fundraises for school and community events
- Provides opportunities for community growth and engagement

Membership in the PTSA is only \$15 per person per year. Joining PTSA does not obligate you to volunteer, but volunteering is appreciated and further demonstrates your support for the school and our students.

In addition, we ask each household to make an annual donation of \$180, which equals \$1 for each school day. Your generous donation directly enriches College Park students' academic experience. If you're able, please make a tax-deductible donation today, payable to College Park PTSA.

☐ Enclosed is a check for \$15 per person in the total amount of \$_____ for PTSA membership for the following Individuals:

☐ Enclosed is a check for \$_____ (\$180 suggested) to support education at College Park High School.

Please give us feedback:

I want PTSA to _____
