

Bend Senior High School International Baccalaureate Programme

Bend Senior High School is proud to offer many IB courses at multiple levels to reach our student population based on interests and skills. IB Courses are broken into 6 categories known as groups. Teachers are provided rigorous, international training and provided annual feedback on student performance that is based on a global scale. Students may choose to pursue coursework as a certificate (*single classes not associated with the IB Diploma Programme*) accessing any class that they are interested in and prepared for.

Group 1 - Studies in Language and Literature

- Language A: Language and Literature HL

Group 2 - Language Acquisition

- Language B: Spanish SL and HL
- Language B: French SL and HL

Group 3 - Individuals and Societies

- Environmental Systems and Societies SL
- Global Politics SL and HL
- World Religions SL

Group 4 - Sciences

- Biology HL
- Chemistry SL and HL
- Computer Science SL
- Environmental Systems and Societies SL
- Physics SL and HL (depending on enrollment)

Group 5 - Mathematics

- Mathematics Analysis and Approaches SL and HL
- Mathematics Applications and Interpretation SL

Group 6 - The Arts

- Bend High is not able to offer coursework in Group 6 at this time, so students seeking an IB Diploma will select additional coursework from either Group 3 or 4.

Core - Students pursuing the IB Diploma will also be enrolled in IB Theory of Knowledge
