Is my child on track to graduate?

- **9th grade is intentionally designed to give every student a strong start and a clear path toward earning a graduation seal.**
- **Our school's goal is for each student to select a post-secondary pathway: Employment, Enrollment, or Enlistment and work toward earning a seal aligned to that choice.**

How do I track my child's journey?

- **Student Support Teams**
 - Teams of school staff reviewing student's data to support success at AHS
- **School Counselor**
 - 1:1 Student Meetings
- **Education Advanced**
 - Software used by counselors
- **Communication**
 - Schoology messaging and e-mail to student support teammates
 - Future details about how to track diploma requirements

What is Work-Based Learning (WBL)?

- WBL can be paid or unpaid experiences
- Can occur in 25-hour segments over multiple years and multiple sites
- Credit classes versus non-credit classes
 - During senior year, students can take internship to earn both high school credits and work-based learning hours
 - Students can also accumulate work hours outside of school without being enrolled in a class (breaks, summer, Saturdays, evenings, etc.)

**Enrollment Honors Plus
75 Hours**

**Employment Honors
150 Hours**

**Employment Honors Plus
500 additional Hours**

Enrollment
Honors Plus

What is the ICC?

Employment
Honors Plus

The **Indiana College Core (ICC)** is a list of 30 college credits (about 10 high school classes) that can transfer as one full year of general education credits at **Indiana** public universities.

- Save money on a year of tuition!
- Start college as a sophomore!
- Meet requirement with a mix of dual college credit and AP courses
- Create high school schedule to meet diploma requirements **and** ICC requirements
 - **Example:** Everyone must take US History. Students can take US History for college credit and count for the diploma and ICC.

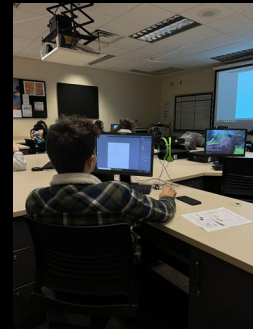

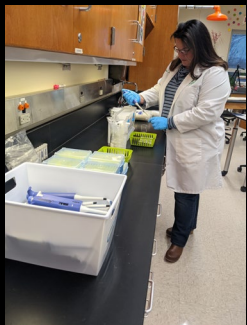

How does my student earn the ICC?

- **One** class in **each** of the following categories:
 - Written Communication
 - Speaking and Listening
 - Quantitative Reasoning (Math)
 - Scientific Ways of Knowing
 - Social and Behavioral Ways of Knowing
 - Humanistic and Artistic Ways of Knowing
- 30 Total Credits
 - 15 of the 30 must be from Ivy Tech dual credit courses
 - No cost
- 9th graders have no courses that they can enroll in but you can learn about the process.

Course Selection Directions:

The chart on the back of this page is a visual for the amount of class space available in the freshman schedule. As courses are selected, please write that class in the appropriate spot(s) depending on whether the course is a semester or full year course. Full year courses have 2 numbers next to the course title, and semester courses only have 1 number next to the course title. Please note: This chart does not represent what the actual schedule or order of classes will be.

Courses with an * are part of a Graduation Pathways CTE concentration, but courses may also be taken as an elective. See Program of Studies for more information.

** PLEASE NOTE: Health must be taken either the 9th or 10th grade year.

If you have taken PE II in middle school, your PE requirement is completed. If a student is participating in a school sport or other approved activity (Marching Band, Dance Team, etc.), a PE Waiver is available. The PE Waiver should be completed by the end of the sophomore year. Visit the School Counseling Department website and click on "Records and Forms" to find information for the PE Waiver Process.
