Careers E-Bulletin

Issue 8 – 13 February 2026

Y7 – Y13 Speakers' Club – Working in the City, Financial Services, Working Overseas, 17 March, 1.30pm

Former pupil, Kym Graham, will be coming in to speak about his fascinating career.

After a gap year in France, Kym read Economics & French at Durham University, including a year studying in Aix-en-Provence before starting his career with a French investment bank in London.
He has since spent over 30 years in Financial Services, working across banks, technology firms and data providers, and living in London, Sydney and Hong Kong.
Kym will share honest insights into life beyond school, the realities of careers in the City, and lessons learned from working and living around the world. Open to all but may be of particular interest to Economics and Business pupils, linguists and those interested in Financial Services.

Y10 – Y13 NHS Virtual Allied Healthcare Work Experience Sun 1 March, 9:30am - 5pm

If you are thinking of a career in healthcare, take a look at the NHS Allied Healthcare Work Experience Programme, the largest programme for aspiring healthcare professionals. The programme is made up of six one day experiences, you can choose to do just one or all of them. The next session will be focusing on Recovery and Rehabilitation: Strokes & Opioid Dependence. Previous participants have gone on to study – Nursing, Midwifery, Paramedicine, Physiotherapy, Occupational Therapy, Dietetics, Radiography, Prosthetics and Orthotics, Speech and Language Therapy and Pharmacy.

Register here: NHS Healthcare Careers Virtual Work Experience - Allied Healthcare Mentor Places are £10 a session to cover administrative and technological costs.

Y10 – Y13 Virtual Work Experience Day with NESO, Tues 17 Feb, 10am – 2.30pm

Are you interested in a career in engineering and energy systems? Join this Virtual STEM work experience with National Energy System Operator (NESO). NESO has a core responsibility for the entire distribution of the UK's electricity and gas supply. This experience will enable you to discover opportunities in the engineering and energy sector and learn how you can help shape the future of sustainable energy. This is a fantastic opportunity to learn about engineering roles, explore career pathways, hear from experts and ask your questions.
