MSHSCTL AND GLENCOE-SILVER LAKE TRAP CLUB MISSION STATEMENT

The Glencoe-Silver Lake Trapshooting Club is part of the already established Minnesota State High School Clay Target League (MSHSCTL)

The Club will follow the League's Mission as well as the Glencoe-Silver Lakes Mission Statement. They are as follows:

MSHSCTL Mission Statement:

To emphasize the positive influence shooting sports can have in an individual's life. We do this by providing a Safe, Comfortable, Positive Environment that enhances the participants Self-Concept, Character, and Personal Growth through Safe, Educational and Socially Acceptable involvement in the shooting sports. This will be accomplished while promoting the Highest Standards of Safety, Sportsmanship, Teamwork and Ethical Behavior.

Glencoe-Silver Lake Trapshooting Club Mission Statement:

Glencoe-Silver Lake Trapshooting Club, shall strive to provide an affordable opportunity for local youth to learn the physical and mental aspects of trap shooting, in a safe and organized environment, while maintaining the integrity of the sport for future generations, and in furtherance of this aim may engage in the lawful activity.

SEASON SCHEDULE

Fall Season:

Consists of approximately five (5) consecutive weeks:

Practice Days (1-4/5) • Reserve Day • Competition Days (1-5) - Check the Club's communication app for specific event dates.

Spring Season:

Consists of eight (8) consecutive weeks of conference events followed by tournaments:

Practice Weeks (1 and 2) • Reserve Week (1) • Competition Weeks (1-5) • Fun Week (1) • Tournaments

STANDARDS OF BEHAVIOR & CODE OF CONDUCT

As a member of the Glencoe-Silver Lake Trapshooting Club you understand that you have been given a unique privilege to participate in this High School Sport.

You will promise to follow all the rules as outlined by the State High School Trap League and those that the Club, School and District have adopted.

You will be respectful of all your fellow team members and coaching staff at all time and represent the school with pride and integrity whenever I am participating in a High School Trap League event or activity.

You are required to purchase, maintain, and wear the assigned Club's uniform anytime that you are competing with the team or while attending any Club and League events unless otherwise directed by my Club's leadership.

Athletes and Parents will respect their Coaches and follow their direction. Athletes and Parents understand that they need to follow this direction especially during our League events at all times for Safety reasons to protect all Athletes, Coaches, Volunteers and Spectators.

I promise to make Safety the Number One Priority whenever I am handling a firearm.

I will not bring any firearms or ammunition on any school property.

Courtesy and Sportsmanship go hand in hand with safety to create a safe and fun environment. They also portray our sport in the best possible light within our school and the greater community. There will be a strong emphasis on the value of team unity, sportsmanship, and hard work. Every player will have an important role to play. A critical part of being a good team is everyone knowing their role and performing it to the best of their ability. Trap Shooting is a fun sporting competition that is an once-in-a lifetime experience which we hope you enjoy and take with you well into your future as adults.

Along with the safety rules the following conduct and sportsmanship rules will be strictly enforced:

1. Blatant violations of safety rules, discourteous behavior including heckling, bullying, trash talking, temper tantrums or disobedience of directions from coaching staff will result in immediate removal from the trap line and possibly club grounds, with further disciplinary actions at the discretion of the Head Coach.

2. A second violation will result in expulsion from the team and forfeiture of shooting fees paid. This will be at the discretion of the Head Coach, whose decision will be final.

3. The Minnesota State High School Clay Target League (MSHCTL) has specific rules regarding appropriate attire and conduct as well. You are expected to abide

by the Leagues Policies and Procedures To review more information can be found at the leagues website: www.mnclaytarget.com

Any misuse or violation of these rules could result in suspension of your shooting privileges with the team and possible permanent removal from the team's roster.

All observers must stay behind shooting range sidewalk/fencing, and not in the shooting area.

DISTRICT 2859 - GSL SCHOOL WEAPONS POLICY

As a student of Glencoe-Silver Lake, you should be aware of the School District 501 Weapons Policy as follows:

No student or nonstudent, including adults and visitors, shall possess, use, or distribute a weapon when in a school location except as provided in this policy. The school district will act to enforce this policy and to discipline or take appropriate action against any student, teacher, administrator, school employee, volunteer, or member of the public who violates this policy.

As a member of the Glencoe-Silver Lake Trapshooting Team, the District Weapons Policy still applies to you. For definition purposes, equipment is defined as a shotgun, gun case, and/or ammunition (full or empty boxes or shell casings).

Under no circumstances should a student athlete bring their equipment to school in their vehicle, or plan to leave directly from school to go to the range. This would be a strict violation of the District's Weapons Policy, for which you should expect to be punished to the fullest extent.

In a situation where the student accidentally leaves equipment in their vehicle, when realized, they must self-report and immediately inform School Administration and the appropriate steps will be taken.

As a member of the Glencoe-Silver Lake Trapshooting Club, our position is not to debate policy; we must strictly adhere to this policy, as there are no exceptions nor are there any protections guaranteed. If you have any questions on this issue, please feel free to speak with one of the coaching staff AFTER trap that day.

TEAM SAFETY RULES

Traveling To and From the Range:

- Reminder – you are not to bring your equipment to school; you are to go home after school to pick up your equipment and transport your firearms directly from home and back to home after competing.
- Drive to the range with respect for others. Don't speed and don't rush.
- Once in the range parking lot, drive slowly and watch carefully.
- Range parking lots are generally gravel or dirt. Don't spin out or throw gravel.
- Respect the vehicles and other personal equipment. Immediately report any damage.
- Keep a positive attitude when arriving and leaving from practices or competition events.

Proper Range Behavior:

- **No Cell Phone** usage is allowed on the firing line.
- Alcoholic beverages are strictly prohibited before, during shooting or on the grounds.
- Do not eat, drink or have food when on the firing line.
- This is an adult activity; act accordingly as we have trusted you to do so.
- The use of profanity or obscene language is unacceptable behavior and is subject to disciplinary action.

Firearm Safety:

- Always keep the firearm pointed in a safe direction. Never at another person or building.
- Always keep your finger out of the trigger guard area until your firearm is shouldered and set.
- Respect Range Safety Officers. Immediately respond to cease fire or other commands.
- Do not handle another person's shotgun without the shotgun owner's permission
- It is highly suggested that you clean your firearm after every day of shooting. A clean firearm is one that will work as expected every time you need it. Dirty or clogged firearms are dangerous.
- Each person is responsible for personal equipment and items. All your equipment should be within reach or visible when you are on the range. Keep unused items in your locked vehicle.

Safe Gun Handling Range Instructions:

- Be sure the firearm is safe to operate at all times. Never load or fire an unsafe firearm.
- Know how to use your firearm safely. Remember your firearm training classes.
- Upon arriving at the club athletes should place their guns on a designated gun rack.

- All guns are to remain on the rack until it is the athlete's time to shoot or unless directed specifically by the coach.
- All muzzle direction rules apply when moving from the gun storage rack to a specific trap or from post to post.
- Know your target and what is beyond it.
- Immediately after shooting around an athlete's gun should either be placed back onto the gun rack or cased and returned to the athlete's vehicle. If this info is unclear for any reason, then follow this clear message – If you are not shooting, your gun should be on the rack...**NO EXCEPTIONS!**
- No resting the barrel of your firearm on your foot or on any other solid surface, holding the barrel if you are standing the gun on its butte.
- All firearms must have an open action when walking around the range.
- Range safety starts with you. If you see a safety concern, bring it to the Range Safety Officer or coach.
- All range-specific rules are posted at each range; make sure you have read them. You can be banned from any range for violating their posted rules.
- If you think there may be a range safety issue but are not sure, always bring it up to the Range Safety Officer or a coach as soon as possible. They care and want to know.

LEAGUE PLAY RULES

General Rules:

- Each team coordinates with their local shooting range to determine available days and times to complete the event.
- Practice and conference events are 50-target events.
- The scheduled event week is defined as starting on Sunday and ending on Saturday at 9:00 p.m. CT.
- All teams must conduct their competition week events in succession.
- Teams are allowed to complete a future event week prior to the schedule event week. (Meaning, you can shoot ahead. IF all kids are permitted to shoot ahead as a team.)
- Scores can only be submitted during the scheduled event week.
- A competition event may continue a second day only if the competition event gets postponed due to weather, darkness, or other unforeseen circumstances.
- An athlete's score can only be used if completed on their team's scheduled event. (Meaning, if a score day is a Monday, you must shoot your score on Monday. For spring, when score days are on Thursdays, you must shoot your score on Thursdays only. Mondays, and Wednesday nights at Lester Prairie Sportsmen's Club league nights, are not allowed.)
- All rounds are considered practice scores unless they are declared competition targets PRIOR to conducting the round.
- Using "best scores" from multiple events is not allowed.
- In all cases, a coach and Range Safety Officer must be always present when a student is participating in League events.

Safe Shooting Lines:

- Do not touch others or their firearm when on the shooting line.

- Be respectful and quiet. Do not distract others on the shooting line.
- Only coaches will be allowed to instruct students on the shooting line.
- Anyone on the range can Call for a Cease Fire if a safety issue is discovered.
- The Range Safety Officer looks for hazards and will make random spot checks. You must comply.
- The first shooter on the shooting line can shoot only with official permission. (Official permissions is given from the Scorer, Range Safety Officer, or Coach)
- Shooters must not have a shell chambered when moving to the next station. (If a mistake is made, stop, point the firearm down range and take out the shot shell)
- Only chamber a shell when you are at the proper station and close when time to shoot.
- Trap singles allows only one shell in your firearm at any given time.
- Do not shoot when anyone else is shooting on the shooting line. Only during your turn.
- Once you pull the trigger, you cannot stop the shot – take your time and be sure of your target.

Muzzle Direction:

- It will be standard practice that all muzzles be pointed in a safe direction down range while in the possession of an athlete or adult when walking to or from the trap range, and when walking from one post to the next, or while waiting for a turn to shoot.
- Athletes using “Pump” action and “Automatics” should have the actions open and muzzles pointed upwards. Athletes using “Break” actions must have the action open with the muzzle pointing down.
- All coaches and adult volunteers have the responsibility to always keep the range safe and therefore should take it upon themselves to speak respectfully with any athlete from any school if they see a violation of this rule.

Safety & Courtesy:

- It is the student athletes’ and coaches’ responsibility to conduct an event in a reasonable and safe manner. Safety is more important than speed.
- Always have the shotgun pointed out over fields, up in the air, or at the ground when at the firing line whether the shotgun is loaded or not.
- Always keep your finger out of the trigger guard area until your shotgun is shouldered and pointed down range.
- Do not handle another person’s shotgun without the shotgun owner’s permission.
- It is recommended to add a name label on your shotgun and gear for identification in case any item is left behind.
- Be respectful and do not distract others.
- No heckling (At the line or in the observation areas).
- No screwing around at the line. SAFETY FIRST!
- If a coach or scorer feels you are screwing around, or being unsafe, or a distraction to your squad, they will remove you! And their say is final.
- Empty shells should not be picked up until the round is over or when instructed by a coach and NEVER while holding your firearm.
- Do not leave your station or pivot recklessly to offer help if another athlete needs assistance.
- Only coaches can instruct students while occupying a shooting station. Parents and students not shooting must remain behind the fence.

- Control ejected shells so they do not disturb other athletes at their shooting station. All athletes are required to mount a shell catcher to any shotgun dispensing spent hulls outside of their occupied post.
- Spent hulls may land directly next to or behind the athlete by way of gravity. Any spent hull ejected from the shotgun by force towards another athlete will require a shell catcher to be applied immediately. In the case of a shell catcher malfunction the athlete must produce an apply a new shell catcher immediately.

Penalties:

All student athletes, team leaders and shooting range officials must be familiar with the League's Policies & Procedures and must ensure that these Policies & Procedures are enforced. It is the responsibility of each student athlete to comply with the Policies & Procedures. Any violation of Policies & Procedures should result in the following Two Strike Penalty Rule:

- Strike 1: Upon a first violation the student athlete will be sent home immediately, and it will be the coach's responsibility to contact the parents of the student athlete and address the concerns before the student athlete can return to the team.
- Strike 2: If a second violation occurs the student athlete will be removed from the team with no refund and will not be able to return for the remainder of the season.

The League must be informed immediately of any roster changes. Individual teams may include alternative penalties and enforcement actions. School conduct, academic or chemical abuse policies and penalties and federal Gun-Free Zones Act laws will always supersede any League policies.

Reference Page 2 of the MN Clay Target League handbook policies and procedures, as we will be following them as a standard.

Weather Safety:

- Trap is an outdoor sport. We will be occasionally shooting in the wind, rain, or snow. We will stop for low visibility, lightning, or hail. Dress accordingly for the weather.
- Every shot is an opportunity to focus, apply your coaching, learn, and execute well. Don't focus on the weather, only on your current shot when on the shooting line. Be aware and adjust to how wind and other weather aspects can affect your performance. Be safe and stay accurate.

PRACTICE & COMPETITION PROCEDURES

Upon arrival at the Range:

- Report to the Head Coach/Assistant Coaches for check in.
- Prepare your gun and be ready for opening announcements and instructions from coaches.

Shooting & Trap Line Procedures:

- The Coaches will indicate how soon your squad will be called to the trap line. If your squad is on deck, make sure you and your squad mates are ready to take the field as soon as the previous squad finishes the round and cases their guns.
- A squad will consist of up to 5 shooters, shooting positions 1 – 5. The Shooter on post 1 is designated as squad leader. The Head Coach will determine when the squad, scorer and coaches are ready to begin.
 - We will attempt to squad shooters by experience level; however, this may not always be possible, especially early in the season when daylight is limited. It is important we don't waste time by shooting short squads so everyone can get their rounds in with good light.
- After all shooters have shot 5 times at their first station, the Scorer will call for a station change and read the scores for the post just completed. Shooters will then move one station to the right. The position 5 shooter assumes position 1. When doing this he/she will walk parallel to the trap line behind the other squad members. AT STATION CHANGES ALL SHOOTERS WILL FOLLOW SAFETY RULE – The shooter in the #1 field position will indicate to Squad Leader he/she is ready to proceed.
- The squad leader (now on post 2) will check the rest of the squad and if all are ready will resume the round.
- The squad leader always starts the next set. The shooting order (1 – 5) remains the same throughout the round. At the end of the round the scorer will release the squad from the trap line. The shooters will either get another box of shells for the next round or rack their guns with action open. At the end of the round shooters will rack their guns with the action open and at the Coaches direction pick up the empty hulls for disposal. The last squad on each trap will be designated to clean up the trap BEFORE they case their guns.
- As time allows team members may be able to shoot additional practice before or after team regular practice or league rounds are completed. See a coach for details.
- If you have a disagreement, or issue with scheduling, squad, or another student, please ask to speak with the designated Head Admin/Coach after trap is finished for that day, or come early to speak to them prior to the start of the next day.

If you don't understand a rule or procedure, ask a coach.

SQUADS:

- Squads will be made of 5 shooters per squad with a squad leader
- Each squad leader is responsible for their squad's case, ammo to be handed out and bring the empty case back into the club house. Getting all members of their squad ready to be next at the line. Once on the line making sure the squad and scorer are ready.
- Squads will be on a shooting rotation.
- Throughout the season you may need to be moved within your squad or to a different squad without prior notice.
- Shooting at Championships, State or Nationals you may not be shooting with the squad team members or starting station.
- If you drop a shell, ask the coach or score keeper to pick it up.
- Only one shell in the chamber of their gun at a time

TERMINOLOGY & SAFETY TIP REMINDERS

Terminology:

The following terms will be used during practice and competition. Please learn & familiarize yourself with these terms.

- Coach: Trained and experienced person who can help you learn the game and develop skills.
- Range Safety Officer: Supervises shooting activities as prescribed by the range Standard Operating Procedures.
- Spectator Area: The area on or behind the sidewalk in the shooting areas of trap ranges designated for observers of shooting sports. The Spectator Area or other safe areas are where all students and parents not on the shooting line are to remain.
- Ready Area: A table and firearm rack may be available to get shells and safety gear prepared.
- Trap House: The structure from which clay targets are launched for trap.
- This will be maintained and refilled by range operators only.
- A Cone may be placed on top to signal refill in progress. Back off to ready area while the trap machine is being refilled every 2 or 3 rounds.
- Cease Fire: Stop shooting immediately upon the command. There will be many more clays to shoot, so just stop.
- Firing Line: A concrete pad on which the shooter stands during their turn. Do not step ahead of the 16-yard concrete pad. The skeet range may be in use at the adjoining field. This is a safe practice with others on the firing line.
- Hang Fire: When a shell does not fire after pulling the trigger. Keep firearm pointed down range. Be prepared, the shell may fire anytime in the next few seconds. Call for help immediately. Don't turn around and keep the firearm under control; it may still fire. If this happens to you, stay calm and have your barrel inspected by a Coach or Range Safety Officer.
- Pull: A command you say to have the clay launched, either by a voice activated unit or a person pushing a button. Don't be shy when calling for the pull.
- Clean Range Grounds: The Glencoe-Silver Lake Trapshooting Team will pick up empties when firearms are placed on the rack and range cleared. Wait for OK by the Coach and/or the Range Safety Officer.

SAFETY TIP REMINDERS:

Here is a simple list of tips and ideas to help the student athletes consider safety as a foundation of shooting sports. We would like each student to remember to **ALWAYS, ALWAYS...**

- Keep your firearm pointed in a safe direction.
- Keep your finger OFF the trigger guard area until ready to shoot.
- Keep your firearm unloaded until ready to use.
- Keep action of the gun open until you are ready to shoot.
- Use eye and ear protection.
- Use a vest or shell bag.
- Be sure your firearm is clean and safe to operate.
- Be familiar with your firearm and know how to use it safely.
- Know the range rules and range shooting hours.
- Do not rest your gun barrel on your foot or hold the barrel if you stand the gun up on its butte.

- Chambers need to remain open when on the line until they break away and always keep barrels pointed up and away from people.
- The last squads shooting for the day will help clean up that trap house (pick up any hulls, empty buckets in the garbage cans, wrap up the speaker cords and take all equipment over to that trap house).
- Once you are on the line stay still; do not move to the next station until the last person has shot. This is not only a distraction to the remaining shooters, but the score keeper as well.

REMINDER NEVER BRING A GUN OR AMMUNITION TO SCHOOL OR ON SCHOOL GROUNDS

UNIFORMS & EQUIPMENT

Uniforms:

The team uniform will consist of the team jersey, jeans (no holes, rips, or tears) and closed toe shoes.

MSHSCT League rules prohibit the following:

- Clothing that exposes any part of the torso such as cut-off t-shirts, halter tops, tank tops.
- Short shorts, low riding shorts or pants revealing undergarments or buttocks
- Sandals, crocs, or flip flops. Proper footwear must be always worn and have a closed toe.
- Any clothing with any type of designs, messages, etc... that have direct or indirect references to alcohol, tobacco, sex or sexual connotations, drugs, gambling, or profanities.

It is **MANDATORY** that the athlete's equipment must be worn at all team competitions and other Club & League events unless otherwise directed by the coaching staff or you will not be allowed to compete.

Uniforms will be worn over extra shirts when needed to stay warm. Jackets as needed will be permissible.

Anyone not appropriately dressed while competing will be sent home and you will receive a DNP for your score.

Safety Equipment:

- Safety Glasses (Shooting Glasses): Shell casings fly during shooting sports. Protect your eyes but not just your favorite sunglasses. Don't use common glasses. Wrap around for full coverage is a plus. Yellow or Orange tint are a plus. Must be shatter resistant.
- Ear Protection: Foam plugs are the cheapest and work very well. Earmuffs or headphone style can sometimes get in the way but work extremely well to protect your hearing. Hearing protection is required, but the exact type is optional. **NO EARBUDS or AIRPODS**
- Shooting Vest or hip shell bag: – You will be firing at least 25 shells every round. Accessing your shells safely and without thought is important while on the firing line.

- Shotgun: A clean, well maintained working shotgun with a case to keep it in or for transport. Your firearm is not a toy.¹²
- Shell Catcher: If you have an automatic gun; a shell catcher is not needed on breakaway guns.

- Ammunition (shells): Proper ammunition is a must. Only size 2 $\frac{3}{4}$, 7 $\frac{1}{2}$, 8 and 9 shot shells are allowed.
- Positive Attitude: The first safe thing you can do is bring your positive attitude while shooting.

Always ask a Coach or Range Safety Officer before using different or unexpected equipment on the range.

ACADEMIC ELIGIBILITY & LETTERING REQUIREMENTS

Academic Eligibility:

The Minnesota State High School League policy states that to be eligible for participation in MSHSL activities, one must be making satisfactory progress towards graduation. Our goal is to develop the total student in all of our programs. This requirement will improve our students and give much needed credibility to our programs.

Lettering Requirements:

All Students in Grade 7th-12th

- Student must have a season average score of 19 to 25.
- All grades need to be in a passing grade status (D- or higher)
- Student athletes with no unexcused absence (practice or competition)
- Help at least three (3) fundraiser event or activity

COMPLAINT POLICY

If at any time you feel a complaint needs to be made, please contact one of the coaches outside of practice or competition days. We want to ensure that the needs and safety of the athletes are met. If you feel you cannot approach a coach, please contact one of the trap board members.

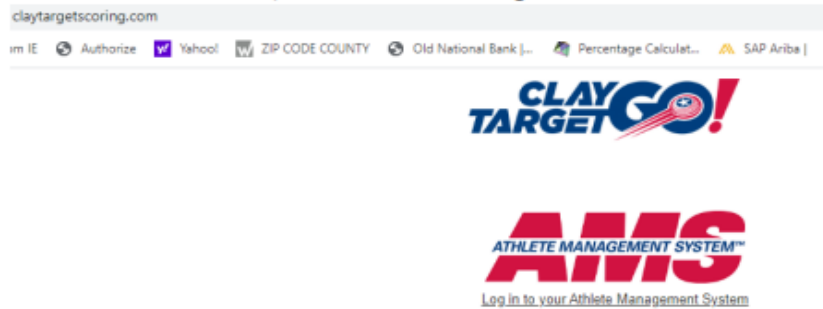

NEW SHOOTER REGISTRATION

New Shooter Registration

Registration steps for the Minnesota Clay Target League

1) Go to claytargetgo.com

2) Click on the AMS Logo

3) Enter **gle965** in the Enter Team ID and create new user

A screenshot of a web form titled 'New User?'. Below the title, it says 'Create a profile'. A note reads: 'If you don't have a Team ID number, ask your team coach.' There is a text input field labeled 'Enter Team ID' with the value 'gle965' entered. Below the input field is a blue button labeled 'CREATE NEW USER'.

4) Create your profile

5) Once completed will be your name, id# and username will be toward the top corner of the page on the left.

Please text or call me with any questions

COACHING STAFF & CONTACT INFORMATION

Head Admin/Coach:

Alicia Luckhardt (320) 224-3282

Squad Coaches:

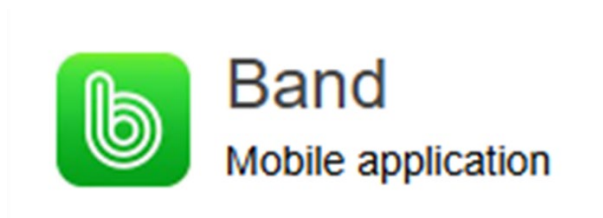

Chad Stuewe, Chris Larson, Tracy Larson, Norique Stuewe and Shawn Kamann

Range Information:

Lester Prairie Sportsmen's Club - 3548 180th Street, Lester Prairie, MN 55354

Band Application:

All parents, guardians and students must download this app on your phone. An invitation will be sent to your email. Complete your registration and accept the invitation. This will be our primary source of communication when sending out a team announcement; without the Band App information could be missed.

Team Facebook Page:

Glencoe-Silver Lake Trapshooting – Utilized to promote the club and our student athlete achievements during the seasons as well as at other community events as much as possible. Will also use as a secondary source of communication, when possible, but should not be relied on for communications.

GLENCOE-SILVER LAKE TRAPSHOOTING CLUB INFORMATION

Club Information:

Established August 2021

The Glencoe-Silver Lake Trapshooting Club consists of 15+ board members

President – Shawn Kamann

Vice President – Betsy Stuewe

Secretary – Chris Brinkmann

Treasurer – Laurie Dummer

Board Members – Chad Stuewe, Katilyn Susdorf, Alicia Luckhardt, Chris Pratley, Phil Werth, Mike Kettner, Carrie Kamann, Chad Pokornowski, Nate Hardel, Bethany Hardel, David Dummer, and Kelly Kettner

Meeting Information:

Monthly Meetings: The 3rd Tuesday of the Month @ 7PM

Location: King Pin Pub, Plato, MN – Back Room

All meetings are open to the public – Parents and students are encouraged and welcome to attend

MANDATORY LIABILITY WAIVER TO PARTICIPATE

MEMBER AGREEMENT

As a member of the Glencoe-Silver Lake Trapshooting Club you are required to comply with all State and Federal Laws regarding Firearms Ownership, Possession and Transportation. Team members are also required to know the District, School, Gun Club and Team rules and agree to abide by them.

WAIVER OF LIABILITY AND HOLD HARMLESS AGREEMENT: GLENCOE-SILVER LAKE TRAPSHOOTING CLUB TEAM

To be signed by parent or legal guardian of Glencoe-Silver Lake Trapshooting Club Team member if student athlete is under 18 years of age.

1. In consideration for receiving permission to participate in the activities of the Glencoe-Silver Lake Trapshooting Club (the "Club's Team"), I hereby release, waive, discharge and indemnify the Club's Team, Lester Prairies Sportsmen's Club and its members or agents ("Releasees") from any and all liability, claims, demands, actions and causes of action whatsoever arising out of or related to any loss, damage, injury, or death that may be sustained by me while participating in any Club's Team activities, whether caused by the negligence of the Releasees or otherwise.

2. I am fully aware of the risks involved and hazards connected with the Club's Team activities, including the risk of injury or death. I (or my minor child) elect to voluntarily participate in these activities with full knowledge that they may be hazardous. I voluntarily assume the risk of loss, property damage, personal injury, and/or death that may be sustained by me or my heirs and assigns as a result of my (or my minor child) engaging in such activities, whether caused by the negligence of Releasees or otherwise.

3. I further hereby agree to indemnify, defend, and hold harmless the Releasees from any loss, liability, damage, or costs, including court costs and attorney fees, that they may incur due to my (or my minor child) participating in the Club's Team activities, whether caused by the contributory negligence of Releasees or otherwise.

4. I understand that the Club's Team does not maintain insurance policy covering liability arising from my (or my minor child's) participation in the activities. I am aware that I should review my own personal insurance coverage as no such losses or liability will be covered by any insurance maintained by the team.

5. I understand that this Waiver of Liability and Hold Harmless Agreement binds the members of my family and spouse if I am alive, and my heirs, or personal representative if I am deceased and shall be deemed as a release, waiver, discharge, and covenant not to sue the above-named Releasees and as an agreement to indemnify, defend and hold the Club's Team harmless against any claims. This Agreement shall be construed in accordance with the laws of the State of Minnesota.

6. In signing this release, I acknowledge and represent that I have read the foregoing Waiver of Liability and Hold Harmless Agreement, understand it and sign it voluntarily as my own free act and deed; no oral representative, statements, or inducements, apart from the foregoing written agreement, have been made; I am at least eighteen (18) years of age and fully competent; and I execute this release for full, adequate and complete consideration fully intending to be bound by it.

7. This Waiver of Liability and Hold Harmless Agreement shall remain in effect into perpetuity. 8. It is necessary to submit this form only one time.
