In January students celebrated National Rubber Ducky Day with a week of being able to earn a ticket for showing RDP in their classes! Students traded in tickets to pick a duck and win a prize. Several students were also rewarded with a ticket to the Snowball dance for going above and beyond with great attendance!! Look forward to more incentives as trimester three begins.

Letter from the Principal

Dear East Families,

I hope you are finding ways to stay warm and that you are all doing well. I can't believe it's already February. We are moving quickly to the end of trimester two with finals on March 4th and 5th. We have a few reminders we'd like to share:

Graduation

- I will be sending out an email to all seniors soon and will include parents as well. Graduation is on Sunday, May 31st at 11:00am at the Kress. You do not need tickets to attend. More information will be included in the email.

Tardiness

- Students are expected to be on time to class. If they are more than 30 minutes late to their designated class they will spend the rest of the period in the Intervention Room. If students are repeatedly tardy to classes in the same day further consequences will be given which may include suspension.

Parking/Driving Reminders

- Students and visitors are reminded that it is winter and there can be slippery spots in our parking lots and sidewalks. Our facilities staff do the best they can to keep up with icey spots but please be careful with entering and exiting the building.
- The back parking lot can not be used for student drop off and pick up.
- Students can park in the Walnut St parking lot by the tennis courts with a parking permit.
- Please be mindful when dropping and picking up your students in the front of the building. The crossing guard is there for student safety and you need to yield to the stop sign when they are crossing students. We understand that it can be very hectic at drop off and pick up but we need to keep everyone safe.

26-27 School Schedule
Next year our schedule will be changing, here are the key differences:

- Moving to semester instead of being on a trimester
- Class periods wil be 50 minutes each
- Advisory will be 30 min and after second period
- Lunches will be 35 min long, this is ten minutes less than this year
- There are a total of 7 class periods
- 5 minute passing time
- There is built in transition time between each of the lunch hours (20 minutes)

	Monday-Friday		
7:30-8:20	Period 1		
8:25-9:15	Period 2

Scholarship Information

It's time to apply for scholarships! The **GBAPS Scholarship Guide** offers all GBAPS students the opportunity to quickly browse local and national scholarships. The Scholarships are organized by due date and are updated often.

The East High School application opens March of 2025. These scholarships are for East High Students only. The link will be provided to students via email as the date gets closer.

FAFSA

FREE Application for Federal Student Aid

Seniors, visit FAFSA.gov to learn more about applying for grants, work-study and low-interest student loans. The FAFSA is being updated and hopefully will be available in December online at FAFSA.gov
Please see your counselor and/or Mrs. Kong in the Career Center for assistance with FAFSA.

FSA ID

In order to complete your FAFSA online you will need an FSA ID! A FSA ID gives you access to Federal Student Aid's online systems and can serve as your legal signature. Students who are SENIORS and one parent/legal guardian will need to create an FSA ID. Visit FSAID.ed.gov.

Did you know that East High School has a Career Center? There is a wealth of information pertaining to post-secondary planning including links to college and technical college websites, a calendar for each month highlighting what reps will be visiting, the most recent scholarship postings, local job opportunities, the military, and volunteer/service learning sites. This is an excellent resource for all students and parents!

UW Panel & College Fair Coming to East High School on March 25

East High School is excited to host a University of Wisconsin Panel and College Fair for all Juniors on March 25. This special event will bring representatives from all UW campuses to share insights about admissions, campus life, academic programs, and financial aid.

Students will begin with a Q&A panel, where they can hear directly from UW experts and ask their own questions about preparing for college. Following the panel, Juniors will attend a UW College Fair, offering the chance to connect one-on-one with campus representatives, gather resources, and explore pathways within the UW System.

This is a valuable opportunity for students to start planning their future, learn what universities look for, and discover what makes each UW campus unique.

ASVAB Testing

The ASVAB test is offered to high school and post-secondary students as part of the ASVAB Career Exploration Program. The program provides tools to help students learn more about career exploration and planning in both the civilian and military worlds of work. The ASVAB test is free and will be taken at East on
