

2026 SUMMER PROGRAM

Yorkshire Academy

24M–6TH

FALL 2026 GRADES

Theme-Based Camps

Half Day/Full Day

Eight one-week sessions

Grades: 24 Months (by 6/1/26) and Preschool
(based on fall 2026 grade)

Descriptions on page 2

Prices and schedules on pages 5–6

Campers will enjoy engaging stories, lively songs, and creative crafts that bring each camp theme to life—all within a safe and nurturing environment.

For our two- and three-year-old campers, afternoon sessions includes a time for lunch, naptime, and free play. (Open to Current Yorkshire Students Only.)

Enrichment Camps

Morning and Afternoon Sessions

Over 50 camps!

Grades: Pre-K to 6th grade
(based on fall 2026 grade)

Descriptions on pages 2–4

Prices and schedules on pages 5–6

With over 50 enrichment camps, there's something for everyone! Engage your creative side in the morning and your analytical side in the afternoon—or mix it up each week for a well-rounded summer of fun and learning!

Weekly Early and Late Care

(Open to Current Yorkshire Students Only.)

Early Morning Care	Late Afternoon Care
7 AM to 9 AM	3:30 PM to 5:30 PM
\$100/week	\$125 /week

Mix & Match!

Our summer program is designed with flexibility in mind, allowing you to create the perfect experience for your child.

Options include:

- Enrichment Camp – Available in the morning, afternoon, or both.
- Theme-Based Camp – Choose from a morning session or a full-day experience.

Registration

- Registration Opens: Early March
- How to Register: An email link will be sent for online registration via your Veracross account.
- Availability: Spots are filled on a first-come, first-served basis.
- Registration Fees: \$50 (Per Child)
- Registration is complete only with full payment.
- Bonus: A summer camp T-shirt is included!

Important Camp Reminders

- All students must bring a snack and a water bottle each day.
- Full-day students need to bring a lunch and two snacks.
- 24M–K students should bring a bag with extra clothes.
- All 3-year-olds must be potty-trained.
- Additional detailed instructions will be shared before camp begins.

No refunds or changes will be issued for any reason, except in the event that Yorkshire cancels a camp due to low enrollment or weather-related circumstances. No exceptions.

Theme-Based Camps

Grades: 24m-Preschool
(Current Yorkshire Students Only)

Week 1 Pirates & Mermaids

Instructor: Yorkshire Academy

Ahoy, matey! Set sail for a magical ocean adventure filled with treasure hunts, water play, and imaginative fun on the high seas.

Week 2 Bugs, Butterflies & Bees

Instructor: Yorkshire Academy

Flutter, crawl, and buzz! Discover tiny creatures through nature play, movement, and colorful sensory activities.

Week 3 Paws, Claws & Roars!

Instructor: Yorkshire Academy

From farm friends to jungle pals, campers will hop, crawl, and roar as they explore animals through pretend play, songs, and hands-on activities.

Week 4 Under the Big Blue Sky

Instructor: Yorkshire Academy

Look up and wonder! Explore sunshine, clouds, wind, and rain through sensory play, music, and movement inspired by the weather all around us.

Week 5 Star-Spangled Fun

Instructor: Yorkshire Academy

From sea to shining sea, from border to border, we'll discover what makes America 'the beautiful.'

Week 6 Space is the Place

Instructor: Yorkshire Academy

Blast off into a week of cosmic fun! We will explore planets, stars, rockets, and astronauts through hands-on activities, as they journey through outer space.

Week 7 Hello, World!

Instructor: Yorkshire Academy

Embark on a global adventure! Explore new cultures, traditions, and games, no passport required!

Week 8 Music & Movement Jam

Instructor: Yorkshire Academy

Turn up the beat! Campers will sing, dance, shake, and move as they explore rhythm, sound, and creative expression through music and motion.

Enrichment Camps

2-D and 3-D Digital Art

Instructor: iCode Memorial

Grades: PreK-1 AM Grades: 2-6 PM

Campers will learn to express themselves

utilizing the digital tools of the art industry. Various pieces will be created throughout the week which will then be shared, and discussed as a group, giving these artists the crucial experience of personal feedback.

Building Brains Lego Engineering 1

Instructor: Building Brains

Grades: PreK-1

Students will learn to build simple machines using gears, levers and pulleys. Then conduct experiments to see how well they perform. Students will begin to program for movement and sounds.

Building Brains Lego Engineering 2

Instructor: Building Brains

Grades: 1-6

Boys and girls of all skill levels are welcome. Your child will learn the fundamentals to build and program compound machines using educational building kits and tablets to program their machines.

Celebration of Nations

Instructor: Angela Thomas

Grades: 1-6

Apply for your passport now for a week of exploring the world! Campers will "travel" the globe in a week of fun adventures. The class will immerse themselves in cultural experiences as we learn about different countries. A lasting impression of each country will be remembered through music, cuisine, and art. An appreciation of diversity, global citizenship, and fun without packing a suitcase!

Cheer Camp

Instructor: Kim Cooley

Grades: 1-6

Beginner cheer camp focuses on fundamental skills, emphasizing teamwork, and confidence with no experience needed. We will learn chants, cheers, a dance and also incorporate games and spirit signs! We will have volunteer high school cheerleaders assisting to help everyone do their best.

Chess Party

Instructor: The Knight School

Grades: 1-6

The Knight School turns chess into a fun, fast-paced adventure. Kids of all levels build confidence, sharpen their minds and discover just how smart (and strategic!) they are!

Creative Transportation Station

Instructor: Ingrid de van Coevering

Grades: PreK-K

All aboard the Creative Transportation Station! Campers will create and decorate a wide variety of transportation crafts, including cars, trucks, boats, and more. Using colorful materials and hands-on art activities, children will cut, glue, paint, and build as they express their creativity. This camp encourages imagination, fine motor skill development, and confidence through fun, age-appropriate craft projects.

DIY Junior

Instructor: Bianca Bijarro

Grades: PreK-1

Kids build, create, and tinker! Campers use their imagination to make cool projects, try new skills, and proudly show off what they create-all while having tons of fun!

Drone Flying Adventures

Instructor: Drone Together

Grades: 1-6

Get ready to zoom, flip, and soar! Students will experience the thrill of flying drones while building real-world skills. All levels are welcome as we explore tricks, team challenges, obstacle design, and more. It's hands-on, collaborative, and packed with high-flying fun.

Elementary Chess

Instructor: Rob Kalvin

Grades: 1-6

Chess is aerobics for the brain! Chess can help students learn to focus, plan ahead, and realize that every move has consequences. It also promotes good sportsmanship and has been shown to help improve students' achievements in their other academic courses. All chess equipment provided for use during classes.

Elementary Junior Athletes with Water Play

Instructor: Coach Josh's Jr. Athletes Team

Grades: 1-6

This high-energy camp builds skills through the fundamentals of flag football, basketball, baseball, and soccer, along with fun fitness games, relay races, capture the flag, and water play. Campers improve coordination, balance, speed, and agility while developing teamwork and sportsmanship. The camp strongly emphasizes teamwork and encourages all skill levels to sign up.

Enchanted Creatures Studio

Instructor: Kim Cooley

Grades: PreK-2

Step into a world of wonder where imagination comes to life! In Enchanted Creatures Studio, campers explore dragons, unicorns, fairies, and Bigfoot through art, storytelling, and creativity. Each day features projects like puppet-making, painting, crafts, and stories inspired by folklore and fantasy. Perfect for curious minds, this playful camp encourages creativity, collaboration, and self-expression.

Flag Football Frenzy Camp

Instructor: Coach Josh's Jr. Athletes Team

Grades: 1-6

Experience the excitement of flag football with skill-building drills, team competitions, and fun strategy games.

Golf

Instructor: TGA

Grades: 1-6

Golf with TGA helps young players build fundamentals in swing mechanics, chipping, putting, and course etiquette. Using engaging drills, games, and challenges, campers develop confidence, focus, and sportsmanship in a fun environment. Experienced coaches provide age-appropriate instruction to help players grow and develop a love for golf.

Groove Lab: Create * Move * Discover

Instructor: Coco Braggiatto

Grades: PreK-K

Welcome to Groove Lab! This creative movement camp invites young dancers to explore their own movement in a fun, supportive space. Campers build fine and gross motor skills through playful ballet, jazz, hip hop, contemporary, and creative movement.

Harry Potter Camp

Instructor: Kim Cooley

Grades: 1-6

Welcome to Hogwarts! Please meet us on platform 9 3/4 as we board the train and take off for a week of all things Harry Potter! Campers will visit Ollivander's, attend Herbology class, make chocolate frogs, play Quidditch, and so much more! Harry Potter fans will not want to miss this! There will be no Dark Arts classes taught. See you at the train station!

Hollywood Film Makers

Instructor: Creator Camp

Grades: 2-6

Explore the foundation in the principles of film making, storytelling, and editing! Throughout the camp, students will storyboard, shoot, and edit their very own short films!

Hoop Stars: Choreography and Performance Camp

Instructor: Mad About Hoops

Grades: 2-6

Lights, music, action—it's time to shine! This high-energy camp takes hooping to the next level with choreography, creativity, and confidence. Campers learn impressive tricks, smooth transitions, and dance moves while building a group routine to popular music. The week ends with a show-stopping performance full of spin, flow, and fun.

Infinite Investigations

Instructor: Bianca Bijarro

Grades: 1-6

Get ready to experiment, explore, and discover! Young scientists get to test ideas and discover how the world works through fun experiments and creative projects.

Into the Forest

Instructor: Houston Audubon Society

Grades: PreK-K

This hands-on summer camp invites young naturalists to explore the diversity of trees and woodland animals native to Texas. Children will enjoy stories, songs, games, and crafts inspired by the forest habitat. Each day encourages curiosity, creativity, and a love for the natural world.

Junior Athletes with Water Play

Instructor: Coach Josh's Jr. Athletes Team

Grades: PreK-K

Children will explore various sports and activities, enhancing both fine and gross motor skills, flexibility, balance and muscle

development. The camp includes baseball, soccer, basketball, flag football, bowling, and non-sports activities like obstacle courses, scooter boards and water play.

Jr. Vets Camp with Mrs. Cooley

Instructor: Kim Cooley

Grades: 1-6

Jr. Vets will have hands-on experiences in veterinary medicine, covering animal anatomy, care, first aid, and procedures like basic exams, bandaging, and even mock surgeries with stuffed animals or real pets, inspiring future vets through activities. Camps will also include stories, games, crafts and much more.

K-Pop Dance Camp

Instructor: Coco Braggiatto

Grades: K-6

Get ready for an epic fusion of K-pop energy and heroic imagination! In this high-energy camp, dancers step into the role of powerful performers while learning bold, K-pop-inspired choreography. Campers will focus on sharp movement, musicality, performance quality, and teamwork, all while building confidence and stage presence through dance and character play.

Lacrosse

Instructor: TGA

Grades: 3-6

TGA's Lacrosse camp is a high-energy experience introducing players to cradling, passing, catching, shooting, and defensive skills. Through drills, small-group instruction, and game-style play, campers build athleticism, teamwork, and confidence. Perfect for beginners and players looking to grow skills and love for the game.

Little Genius Chess

Instructor: The Knight School

Grades: PreK-K

Little Genius is YA's chess class for younger students. The Knight School program teaches young children chess by incorporating songs, dance and puppet shows as fun ways to introduce chess.

Little Hoopers, Big Adventures: Hoops, Yoga & Circus Explorers

Instructor: Mad About Hoops

Grades: PreK-1

Step right up for a week of spinning fun! This action-packed camp features hula hoop tricks, circus games, juggling, yoga, and creative crafts. Each day is a new adventure that builds confidence, balance, mindfulness, and imagination through joyful movement and play.

Little Meteorologists

Instructor: Bianca Bijarro

Grades: PreK-1

Little meteorologists discover clouds, storms, and sunshine. We will conduct weather experiments, track daily forecasts, and learn how rain, wind, and lightning work - all while having a blast!

Little Picassos

Instructor: Zahra Kargar

Grades: PreK-K

Little Picassos are introduced to the world of painting using photographs, still life, and their imaginations while exploring techniques of painting with acrylics. They will experiment with a variety of application techniques while learning basic concepts such as composition and color.

Littles Golf

Instructor: TGA

Grades: PreK-1

Designed for our youngest golfers, this camp introduces the game through fun, imagination-based activities. Campers learn basic putting, grip, and movement using kid-friendly equipment and play-based instruction. Each session focuses on coordination, confidence, and smiles—creating a positive first experience with golf.

Messy Masterpieces: Paper Mache

Instructor: Ana Mendoza

Grades: PreK-1

In this hands-on paper mache class, campers will design and create their very own paper mache crafts using paper, creativity and lots of imagination! Campers will learn step-by-step paper mache techniques and explore texture, shape, and artful design. Each child will create one-of-a-kind paper mache creations to take home and enjoy for years to come!

Mickey Around the World Dance Camp

Instructor: Coco Braggiatto

Grades: PreK-K

Pack your bags—Mickey is taking us around the world! In this imaginative dance camp, young dancers "visit" different countries inspired by Disney stories and global cultures. Perfect for Disney lovers who enjoy dancing and discovering the world.

Minecraft Jr.

Instructor: Creator Camp

Grades: PreK-1

In this class, students will explore creativity and problem solving in a Minecraft world designed for younger builders. They will develop their skills, unleash creativity and problem solve to the next level.

MovieMakers Jr.

Instructor: Creator Camp

Grades: PreK-K

Explore the foundation in the principles of filmmaking, storytelling, and editing! Throughout the camp, students will storyboard, shoot, and edit their very own short films!

Music Camp- Rookies

Instructor: School of Rock

Grades: PreK-1

Ear training, song structure, rhythm patterns and group playing are all part of this introduction to music. In this music camp, students will learn about all the different rock instruments and begin their introduction to music theory and appreciation. No experience with music.

Painting for Purpose CC

Instructor: Zahra Kargar

Grades: 1-6

Explore the possibilities of self-expression with paint while developing skills in making two-dimensional artworks. Campers also develop ideas from their imagination through sketching, drawing, and brushwork.

Paste, Paint & Play - Paper Mache Camp

Instructor: Ana Mendoza

Grades: 1-6

Campers will learn step-by-step paper mache techniques and explore texture, shape, and artful design. Each child will create one-of-a-kind paper mache creations to take home and enjoy for years to come!

Peak Performance Sports Camp (Jr & Elementary)

Instructor: Jr. Athletes, Coach Josh

Grades: PreK-1 (Jr.) Grades: 1-6

Dive into an action packed week of sports, high-energy drills, and thrilling team challenges. Build strength, sharpen your skill and unleash your competitive spirit - all

while having a blast with friends!

Pickleball

Instructor: TGA

Grades: 1-6

Campers learn serving, rallying, footwork, and scoring through engaging drills, skill stations, and friendly competitions. Designed for beginners and developing players, this camp takes our after-school enrichment class to the next level building hand-eye coordination, confidence, and sportsmanship.

Puppet-topia

Instructor: Greg Ruhe

Grades: 1-6

Make a variety of puppets and have fun creating an imaginary stage to perform in. This camp will explore various styles of puppetry and how to create and play with puppets in an exciting, fun, and theatrical way.

Red, White, & Fun

Instructor: Dena LaVora

Grades: PreK-K

In our Independence Day celebration camp, PreK and Kindergarten campers will explore stars, stripes, and sparkles through crafts, games, and imaginative play. Children will create their own "fireworks" using paint, bubbles, chalk, and simple activities, along with music, stories, and outdoor fun. A joyful, hands-on way to celebrate

Independence Day all week long!

Roblox Gamers Development

Instructor: iCode Memorial

Grades: 1-6

Campers will learn to use The Roblox Editor, a special coding environment used to create complete projects in Roblox! Throughout the week, campers will use block coding, a programming style that shows that text-based coding is not essential. This exciting camp takes an activity your child already loves, and turns it into an educational adventure!

Rock 101

Instructor: School of Rock

Grades: 1-6

Want to play in a band on stage? Campers explore instruments through fun musical games and activities in a supportive, nurturing environment. Students rehearse songs throughout the week, building confidence and teamwork, and finish with a concert performance for family and friends. No experience needed.

Sew Much Fun Needlecraft

Instructor: Ingrid de van Coevering

Grades: 3-6

From yarn to fabric, we'll explore the art of creating. Learn skills like crocheting, embroidery, and sewing as you turn threads and fabric into handmade treasures to take home.

Spy Academy

Instructor: Bianca Bijarro

Grades: 1-6

Experience an action-packed adventure where young agents learn secret codes and complete exciting missions. Campers build teamwork, problem-solving skills, and confidence while having a blast in an imaginative spy world.

STEM Robotics

Instructor: Drone Together

Grades: PreK-1

This beginner STEM Robotics class is packed with hands-on fun - building, designing, coding and exploring robotics and drones. We use age-appropriate tech to spark creativity, encourage collaborations, and make STEM exciting from the start. They will gain a lifelong love of STEM through play, teamwork, and discovery.

Storybook Camp

Instructor: Angela Thomas

Grades: PreK-1

In the magical kingdom of summer fun,

stories will come to life. Campers won't just listen to stories but will have adventures of their own through crafts, playing and making magic in a truly storybook environment.

Swiftie Camp: Dance through the Eras

Instructor: Coco Braggiatto

Grades: K-6

Calling all Swifties! This high-energy camp celebrates music, movement, and friendship inspired by Taylor Swift's eras. Each day features a new "era" with fun choreography, sing-along moments, and group dances. Perfect for dancers who love pop music and creative expression.

T-ball/Soccer, Jr

Instructor: Coach Josh's Jr. Athletes Team

Grades: 1-6

Designed for younger students who are looking to learn or improve their t-ball and soccer skills. Fitness games and exercise will also be incorporated to encourage team building and sportsmanship.

Tae Kwon Do (Week 3 & 7)

Instructor: Master Julio

Grades: 1-6 (Week 3) Grades: PreK-6

Master Julio is a campus Super Star. His program encourages confidence, physical fitness, self-esteem, and discipline. Students are instructed in safety awareness and how to defend themselves.

Tiny Tactics Chess Camp

Instructor: Rob Kalvin

Grades: PreK-1

Tiny Tactics Chess Camp is a fun, engaging introduction to chess for PreK through 1st grade students. Led by sought-after instructor, Mr. Kalvin, students will learn in a supportive and playful environment. All chess equipment is provided for use during classes.

Volleyball

Instructor: TGA

Grades: 2-6

This camp introduces athletes to volleyball skills such as passing, setting, serving, and team play in a fun, encouraging environment. Through drills, movement activities, and game-style challenges, campers build confidence, coordination, and communication. Coaches focus on effort, teamwork, and growth, helping players develop fundamentals and love for the game.

Volleyball, Badminton & Tennis

Instructor: Coach Josh's Jr. Athletes Team

Grades: 1-6

Designed for beginners looking to learn or improve his or her skills. Campers will practice/learn volleyball, badminton and tennis movements and skills/drills in a fun atmosphere. Fitness games and exercise will also be incorporated to encourage team building and sportsmanship.

Whiskers and Wonder: Texas Cats

Instructor: Dena LaVora

Grades: PreK-K

Whiskers & Wonder, our PreK and Kindergarten campers will embark on a playful adventure exploring the wild cats of Texas. Through stories, hands-on activities, crafts, songs, and imaginative play, children will discover how these fascinating animals live, play, and care for their families.

World Cup Kick Off Camp

Instructor: Jr. Athletes, Coach Josh

Grades: 1-6

Open to boys and girls in 1st-6th grade, this fun and active camp builds soccer skills through engaging drills, games, and teamwork-focused activities. Campers will practice sportsmanship, gain confidence, and enjoy friendly scrimmages, with World Cup-themed trivia and fun facts adding a global twist.

You're an Original Art/Craft Camp

Instructor: Shannon Bloodworth

Grades: 1-6

Come join us each day for creative art camp, where we'll use a variety of mediums to create your masterpiece! Campers will explore acrylics, watercolor, cardboard, glue, chalk, clay, texture, and more through hands-on projects. There are no mistakes in art—only creativity! Taught by an experienced artist sharing her own tips and tricks. You are an original, and so is your art!
