TOTAL NUMBER OF DAYS Pupils = 183 Teachers = 183 (Includes 4 total Superintendent Conference Days)

*Education Law §3604(8) provides that up to four superintendent/parent-teacher/professional development conferences count towards the instructional day minimum

EMERGENCY MAKE-UP DAYS - If additional days must be used in the event an emergency causes an excessive closing of school, the parties shall meet and come to an agreement on the specified dates to be employed for instruction in order to bring the total up to the minimum days required by law. Administration may pivot instruction to remote mode as needed to comply with NYSED regulations. For example, once the number of planned emergency days (generally two (2)) have been used, instruction would pivot to remote learning in order to avoid converting break days to class days.
