PROVIDENCE PUBLIC SCHOOLS IS EXPANDING PK-8 SCHOOL

OPTIONS: To reduce school transitions, provide greater continuity of education and emotional support, and to help keep siblings together for longer, Providence is expanding the number of schools that will offer PK-8 grade spans. Schools marked with an "*" above will be adding grades on an annual basis, with the goal of expanding into full PK-8 schools by the fall of 2028. Dual Language Program: Spaziano Elementary offers a Spanish Dual Language Advanced Academics program. All current Dual Language students are eligible for this program. Additionally, any student who is not enrolled in a Dual Language program but has a home language of Spanish and is interested in the program, may select it from the options. If your child is not currently in a Dual Language program, their current school will evaluate their Spanish literacy using an i-Ready Spanish assessment to determine program eligibility. If you have any questions regarding Dual Language, please contact Nelia.Fontes@ppsd.org.

Advanced Academics: The Advanced Academics program is available at all schools. Notifications will be sent to families of students who have been invited to join Advanced Academics by January 23rd. Students accepted into Advanced Academics are automatically enrolled unless they choose to opt-out.

For Students at Fogarty, Kennedy, Kizirian, Spaziano, and West Broadway Schools: Students who are currently enrolled at these schools have a guaranteed placement at those schools for Grade 6. While other students are eligible to list these schools as preferences, there are limited seats available.
