Comprehensive Needs Assessment

Student Achievement Summary (Continued)

There is an identified problem in meeting the higher level in the STAAR scores. All of the STAAR scores fell (2-5 points) this year. The school still achieved an "A" Rating; however, rigorous instruction needs to started on day. one. Students must participate in multiple interventions to meet the "Meets" and "Masters" levels on STAAR. (Masters) Students are lacking background knowledge, vocabulary and writing skills to meet the Master's level and TSI in the 8th grade.

School Culture and Climate Strengths

BRYSS counts with a parent liason and parent center that plans weekly parent meetings and trainings for all parents.
Discipline Data showed no serious problems in the 2024-2025 school year.
Student surveys show that more than 90% of students feel safe and respected on campus.
Areas of Strength per survey responses
3.5 out of 4 in school climate.
3.6 feel safe.
3.7 feel students are motivated.
3.8 feel teachers promote academic success.
3.7 feel students have positive relationships.

School Culture and Climate Weaknesses

Attendance in the 2024-25 school year was at 93.5%.
Teachers state that students need SEL (Social Emotional Learning) for attendance, bullying, personal support, and career planning.

Comprehensive Needs Assessment

School Culture and Climate Weaknesses (Continued)

Students state they do feel there is some underlying bullying.

CTE classes in 7th and 8th grade are needed to ensure 21st Century Skills.

TSI preparation classes and testing dates are needed for our 8th graders in order to be on track for Dual Credit and AP classes.

School Culture and Climate Needs

Attendance incentives.

Counselor supporting student's SEL needs,

Parent trainings.

STEM/ CTE training and courses.

TSI prep courses for 8th graders.

School Culture and Climate Summary

Teacher survey data has identified a serious problem with tardiness and overall attendance. Attendance was at 93.5% in the 2024-2025 school year on 1% less than 2023-2024. Teachers state

students arrived late to class and were picked up early very frequently. It is important that student and parent trainings occur to explain the importance of being in school. A plan for attendance incentives to motivate students to be in school needs to be created. Counselor will calendar presentations to address the different topics needed to cover student needs.

Comprehensive Needs Assessment

Family and Community Involvement Strengths

Parenting classes are provided weekly trainings and presentations addressing the different needs stated in the BOY surveys.
100% Bilingual staff help bridge the language barrier so that parents or guardians are able to communicate with teachers and counselors about their student's academic progress.
Parents have direct two-way communication with teachers as stated in surveys.
Parents state that they feel welcome at school.
Community involvement increased in 2024-2025 from previous school year 2023-2024.

Family and Community Involvement Weaknesses

BRYSS lacks 100% attendance in parental involvement in student attendance, behavioral concerns, and academic progress, which is reflected in our survey data.
Growing the number of parent volunteers.
Adding more parents to our trainings and presentations.
Growing the number of community partners.

Family and Community Involvement Needs

Parent attendance incentives for student attendance.
Parent Center and Counselor presentations for parents.
Community parent trainings.
Career Planning/ Workforce
STEM/ CTE training sessions for parents.

Family and Community Involvement Summary

Teacher survey data has identified a serious problem with tardiness and overall attendance. Even though attendance was at 95% in the 2024-2025 school year, teachers state students arrived late to class and were picked up early. It is important that student and parent trainings occur to explain the importance of being in school. Attendance incentives need to be provided to students in order to motivate students to be in school. Counselor and parent liason will address the different presentations needed to cover parent and student needs.

School Profile

Comprehensive Needs Assessment Process

BRYSS Academy's needs assessment process is described below. The campus leadership team evaluated the 2024-25 data. We reviewed the following data:

- STAAR
- TELPAS
- TSI Passing Percentages
- Attendance/ Tardies
- Discipline
- Failure Reports
- Economically Disadvantaged
- EB's/ ESL
- Special Populations (EB, GT, SPED, 504)
- Master Schedules
- Surveys Students/ Staff/ Parents
- Technology 1:1
- Staff Quality- TIA/ TTESS/ Years Experience

Documentation of the process includes minutes, agenda, power point, and sign in sheets. The Campus leadership Team met on May 7, 2025, and again on June 16, 2025 to develop the CNA. The meetings were held in the BRYSS cafeteria and in the BRYSS data room. The first meeting was held at 4:00 pm and the second at 9:00 am.

We plan to meet again on August 27, 2025, September 24, 2025, January 22, 2026 to review and revise the CNA as needed.

At the first meeting on May 7th, Principal Maria Knosel began the meeting with introductions. A kick-off activity was conducted in order to meet all members of the team. Then, Principal Knosel shared with the group the team expectations. Handouts with the power-point presentation and documents were provided to attendees that lead discussions during the meeting. The importance of attendance and the purpose of this Title I Team was emphasized and explained to everyone. The purpose of the Comprehensive Needs Assessment was shared. Principal Knosel then provided each person with a sample list of data options that the committee members would use to help lead conversations to identify which data the committee would review to identify both strengths and weaknesses from the 2024-2025 school year. Principal Knosel lead the discussion as data was identified by the group to be reviewed at the next meeting. The committee decided to look at 14 specific data points to identify the strengths and problems from 2024-2025 school year. Principal Knosel thanked everyone for their participation and reminded everyone of the second CNA meeting on June 16, 2025.

At the second meeting on June 16th, the campus leadership team reviewed the listed data and prioritized the information into strengths and problems. The team acknowledged the strengths from 2024-2025 but focused most of the meeting on the problems that were identified from the data. Principal Knosel led the team in prioritizing the problems. Each team member was asked to help identify the three focus areas for next year based on the problems identified. The team came to a consensus on three main problems that represent the highest leverage focus areas. These will become the priorities for next school year 2025-2026. A Root Cause Analysis was completed on the the top three problems. The Campus Leadership Team reviewed the data listed above to identify areas of strengths and problems.
